GET OUT AND PLAY FOR FAMILY LITERACY WEEK

Reading, learning and playing together is what next week is all about for British Columbia families.

The Province is officially proclaiming Jan. 22-29, 2017, as Family Literacy Week. There are events throughout the province to help British Columbians celebrate with their families.

This year, government provided over \$2.6 million in support of community literacy to Decoda Literacy Solutions. Decoda uses this funding to support the coordination of community literacy services and initiatives throughout the province.

For the past 17 years, the Province has proclaimed Jan. 27 as Family Literacy Day. This year, the Province is extending the celebration from one day to an entire week, allowing more time for communities to hold fun literacy events. Here are some of the events happening in B.C.:

•Chetwynd families can have some fun playing Giant Scrabble, Jenga and other board games at the Chetwynd Public Library's Family Games Night on Jan. 27 from 6-7:30 p.m.

Quotes:

Mike Bernier, Minister of Education – "As a parent of five, I know how important it is to get out and have fun together as a family. It is great to see communities all over the province organizing events to celebrate Family Literacy Week. I encourage all families to check out what's going on in their community and celebrate this important week together."

Andrew Wilkinson, Minister of Advanced Education – "Our government is investing in adult literacy programs to help British Columbians gain the skills they need to achieve their educational and life goals. Community adult literacy programs give adult learners the opportunity to learn close to home in schools and communities throughout the province."

Anne Cooper, board chair, Decoda Literacy Solutions – "Family Literacy Week helps British Columbians honour parents, literacy outreach coordinators, volunteers and community organizations that provide critical supports to families across this province. Any parent who has watched their child struggle to learn how to read, and has sat with them every night to help them over the hurdle, understands the value of family literacy programs and services."

Quick Facts:

•Family Literacy Day is the largest national family literacy initiative in Canada, created in 1999 by ABC Life Literacy Canada.

•Decoda is the only provincewide literacy organization in B.C.

"Little January
Tapped at my door today.
And said, "Put on your winter wraps,
And come outdoors to play."
Little January
Is always full of fun;
Until the set of sun.
Little January
Will stay a month with me
And we will have such jolly times -
Just come along and see."
- Winifred C. Marshall, January

HOROSCOPE

ARIES (Mar. 21 - April 20) Younger relatives may seek your advice. You can make profitable investments if you purchase an art object for your home. You will have to make changes in order to eliminate the tension. Be sure to use your charm and diplomacy when dealing with potential new clients. Your lucky day this week will be Thursday.

TAURUS (Apr. 21 - May 21) Do not expect too much from others. Don't overindulge in anyway. Your contributions will be valued and helpful. Stay calm and focus on things that will help you understand the situation better. Your lucky day this week will be Saturday.

GEMINI (May 22 - June 21) You can expect to feel confused about your personal prospects. You can look around for the right place and enlist some of your friends to help you move. Take part in stimulating debates that will allow you to show off your intelligence. Those you work with may have little consideration for the underdog. Your lucky day this week will be Sunday.

CANCER (June 22 - July 22) Try to visit friends or relatives you don't get to see often. Do not get involved in joint financial ventures. Don't try to deal with important issues or make changes that will upset the apple cart. Get involved in sports groups or hobbies that attract you. Your lucky day this week will be Monday.

LEO (July 23 - Aug 22) Your high energy will enable you to take the role of leader in group functions. It's time to get yourself back on track. Overindulgence may be a problem. You'd be wise to control your spending so your debts don't get out of hand. Your lucky day this week will be Monday.

VIRGO (Aug. 23 - Sept. 23) Put financial speculation with family members or friends on the back burner for now. Emotional deception will cause friction on the home front. Look into ways to make your home more comfortable. Take care when dealing with older relatives. Your lucky day this week will be Saturday.

LIBRA (Sept. 24 - Oct. 23) Don't bother getting even; they'll make themselves look bad. It may not be the best time to socialize with clients or colleagues this week. You must deal with an emotional problem with your loved one that you have been avoiding for some time now. Stabilize your own position by locking up your savings. Your lucky day this week will be Friday.

SCORPIO (Oct. 24 - Nov. 22) You can clear up important legalities and sign contracts this week. You should look into a healthier diet. Keep your cash in your pocket and offer them sound advice rather than your financial assistance. Try to keep any mood swings under control; they may result in alienation. Your lucky day this week will be Wednesday.

SAGITTARIUS (Nov. 23 - Dec. 21) You can expect opposition at work. Don't let your competition be privy to information that could be in criminating. Investments may not be as lucrative as you thought. Do not sign contracts or get involved in any uncertain financial deals. Good day for romance. Your lucky day this week will be Thursday.

CAPRICORN (Dec 22.- Jan. 20) Reevaluate your position and make decisions about your future goals. Try to put your money away for a rainy day. Be fair, not colorful. Travel opportunities look positive, but be cautious while driving. Your lucky day this week will be Thursday.

AQUARIUS (Jan. 21 - Feb. 19) Children might be on your mind. Don't hesitate to make special plans just for two. You may have difficulties finishing projects you start. You can't lock your partner up and if you keep restricting their freedom you may be left out in the cold. Expressing yourself in novel ways should lead you down new avenues. Your lucky day this week will be Thursday.

PISCES (Feb. 20 - Mar. 20) Colleagues may try to undermine you when talking to superiors. Be prepared to take advantage of your good fortune. Get involved in activities that will be fun for the whole family. You should check out prestigious clubs or groups that have a cause you believe in. Your lucky day this week will be Monday.
