Dr Seuss Party At the Library

Chetwynd Public Library's morning programs (children from 0 – 5 years old) were challenged to read 1000 books with our Dr Seuss Reading Challenge. The Dr. Seuss reading challenge ran from February 4 – March 4th. Not only did the children succeed with their 1000 books read goal but beat the goal and read a total of 1,439 books!

The children of the Lunch and Tales groups celebrated their accomplishments and Dr. Seuss birthday with lots of games, crafts and cupcakes!

SPINACH AND RED PEPPER-STUFFED CHICKEN

INGREDIENTS

10 oz frozen spinach, thawed and squeezed dry
1 12-oz jar roasted red peppers, drained, patted dry and chopped
½ cup panko breadcrumbs
¼ cup grated Parmesan
¼ tsp smoked paprika
Kosher salt and freshly ground black pepper
4 small chicken breasts (about 8 oz each)
2 Tbsp olive oil
1 shallot, grated or chopped
¼ cup dry white wine
1 cup chicken broth
1 Tbsp unsalted butter, cold
Chopped fresh parsley, for garnish

DIRECTIONS

1. Preheat the oven to 425°F.
2. Mix together the spinach, peppers, breadcrumbs, Parmesan, smoked paprika, 1/4 teaspoon salt and a few grinds of pepper in a small bowl. Set aside.
3. Butterfly the chicken: Holding your knife parallel to the cutting board, slice a breast through the middle, stopping about 1/2-inch short of the other side. Open the breast up like a book and flatten it with your palm. Place between two pieces of plastic wrap and pound with a meat mallet to a little less than 1/2-inch thick. Repeat with the remaining breasts.
4. Divide the spinach mixture into four portions and place a portion in the center of each breast. Roll the breasts tightly around the filling and secure with kitchen twine. Sprinkle all over with salt and pepper.
5. Heat the oil in a large, oven-safe skillet over medium-high heat. Add the roll-ups and cook until golden brown on all sides, about 6 minutes. Transfer the skillet to the oven and cook until an instant-read thermometer inserted into the center of the filling registers 160°F, another 6 to 8 minutes.
6. Transfer the roll-ups to a cutting board and cover loosely with foil. Return the skillet to the stovetop over medium heat (be careful, the handle will be very hot). Add the shallots and cook until softened, stirring, about 1 minute. Add the wine and boil until reduced by half, 1 to 2 minutes. Add the chicken broth; boil until reduced by half, about 3 minutes. Off the heat, whisk in the butter and season with salt and pepper.
7. Cut away the twine and slice the chicken into 1-inch rounds. Serve with the pan sauce and sprinkle with parsley.

IT'S NATURAL SO IT'S SAFE, RIGHT?

We've all seen claims like "100 per cent natural" or "all-natural ingredients" splashed across a variety of products. Sometimes the word "green" or "organic" may be added as well. But are "green" or "natural" products actually safer to use?

Just because a product is natural, green or organic doesn't mean it doesn't have risks. They are still made up of chemicals, just ones

produced by nature instead of humans. But nature produces plenty of chemicals that can harm us if we're exposed to too much of them.

Often, natural ingredients are no different than synthetic ones in how they work or what risks they pose. In fact, a synthetic substance that mimics a natural one can sometimes provide a purer ingredient that can make a product safer for use.

Some tips on how to prevent exposure to chemicals in the home, whether they are natural or not, include:

- Read the label and follow all instructions before use.
- Lock up your chemicals to keep them out of reach of children and pets.
- Dispose of household chemical products the right way. Check with your municipality to learn how and where.
- Ventilate your home.

The Chemicals Management Plan is a Government of Canada initiative aimed at reducing the risks posed by chemicals to our health and the environment. As part of the plan, Health Canada has launched the Healthy Home campaign to provide people with easy-to-understand and useful tips to properly manage chemicals and other environmental hazards around the home.

We would like to express our heartfelt thanks to all friends and family for helping us celebrate the life of Brett Forsyth.

We appreciate your love and support at this difficult time.

To Richard, Sandy and staff at Reynars, we thank you for your caring support and helping us to prepare.

Thanks to friends and family who sent flowers, food, cards and stopped by to visit.

A thank you to the Chetwynd Shared Ministry Church for organizing and providing the lunch together with Canfor, friends and family.

For those donating to Kallie's Trust Fund, it is much appreciated.

Forever grateful,
Aubrey, Janet, Chelsea and Kallie

'EXPLORING ART' CHILDREN'S ART GALA 2019

New to drawing- artist Scott Ethier, age 11, says his favourite thing to draw is wolves and their paws. (pictured to the left).

This year was the 6th annual Exploring Art Children's Art Gala. The Chetwynd Public Library and the Chetwynd Arts Council team up, year after year, to showcase our community's up and coming artists.

What began simply as an idea to expand fine arts in Chetwynd quickly became a program that helps focus on creativity through self expression and confidence. The Free program has been running with financial support from the Chetwynd Arts Council as well as the Chetwynd Public Library and helps kids explore many different art styles.

This showcase features pieces from over 50 artists, aged 0-12. Some pieces were just on display and others were for sale. Some were from kids participating in the program and others were submitted by kids not in the exploring arts program but who simply enjoy creating art.

These pieces will only be on display for so long so make your way to the art gallery in the same building as the Fire department weekdays to see some great local youth artwork.

Kelsey Roberts, Reporter Coffee Talk Express

HOROSCOPE

ARIES (Mar. 21-April 20)

It might be time to do some of those chores at home. You can get into weight loss programs or go out and change your image with a new look in clothing, hairstyle, and attitude. You will find it easy to learn and excel. Friends and relatives can give you good advice. Your lucky day this week will be Saturday.

TAURUS (Apr. 21-May 21)

Be sure to take care of the needs of youngsters. It will be all around you. Trying to deal with your mate will be unproductive and possibly hurtful. This is not the best time to take a risk, to gamble or spend money you really can't afford to part with. Your lucky day this week will be Thursday.

GEMINI (May 22-June 21)

You need time to put your house in order and sort out what you are going to do about your personal direction. Don't point your finger unjustly at others. Your devotion will be persuasive. Look into career choices and courses being offered. Your lucky day this week will be Saturday.

CANCER (June 22-July 22)

Don't overspend on friends or children. You're in the mood to spend money. Be careful that you don't overextend yourself. Discord may arise with someone you're close to. Your lucky day this week will be Monday.

LEO (July 23-Aug 22)

Get involved in physical activities that will stimulate you. You should get into programs that will enhance your appearance and help you to be the best that you can. Inharmonious situations at home may be extremely upsetting for you this week. Do not let them blow situations out of proportion. Your lucky day this week will be Sunday.

VIRGO (Aug. 23-Sept. 23)

Deception and doubts may surround your involvement with friends and relatives. Look to a close friend for advice. Networking will be a necessity. You will accomplish the most through organization. Your lucky day this week will be Wednesday.

LIBRA (Sept. 24-Oct. 23)

Don't make financial contributions in order to impress others. Be sure to organize events that will keep the children busy. A lack of support and negativity have been the main problems. Stay mellow. Your lucky day this week will be Monday.

SCORPIO (Oct. 24-Nov. 22)

Accept the inevitable, and opportunities for advancement will follow. You need to mingle with people who can spark enthusiasm and confidence in you. You are best to be accommodating for the time being. Sudden romantic infatuations won't be lasting. Pursue outdoor activities or any physical exertion. Your lucky day this week will be Friday.

SAGITTARIUS (Nov. 23-Dec. 21)

Set aside any decisions regarding your personal life this week. Nothing can be resolved if you don't want to talk about it. There could be disappointment regarding investments. The locks, stove, gas, or electric wires may not be secure. Your lucky day this week will be Monday.

CAPRICORN (Dec 22.- Jan. 20)

You must try to lay your cards on the table. Talk to your mate and tell them how you feel. For best results get out of the office and do your job en route. You can ask for favours and get sound advice from close friends or relatives. Use discretion in your dealings and refrain from making verbal promises of any kind. Your lucky day this week will be Tuesday.

AQUARIUS (Jan. 21-Feb. 19)

Changes regarding family members will set you off. You need to get out if you want to meet potential partners. Keep on your toes when dealing with others. You will enjoy lavish forms of entertainment and should consider making arrangements early. Your lucky day this week will be Sunday.

PISCES (Feb. 20-Mar. 20)

If you haven't already, don't be afraid to start your own small business on the side. You may find that you are a little lucky this week. Try not to allow superiors or those in a higher position to take advantage of you. Try to curb your tongue and let others at least get a word in. Your lucky day this week will be Monday.
