## CHETWYND COUNCIL MEETING

On Monday, November 7, 2016, Chetwynd's regular council meeting began with a presentation from Dale Morgan from the Ministry of Aboriginal Relations and Reconciliation. The presentation was their first step to help engage and inform the public and shareholders more in the process of negotiations with the First Nations people of BC.

The Ministry of Aboriginal Relations and Reconciliation helps to engage in relations and partnerships with First Nations. After getting a good understanding of their needs, the Ministry develops strategies in the hopes to eventually establish and enter into an agreement both beneficial to the provinces interests as well as the First Nations, with respect to treaties already in place. After a short, informative presentation, Dale Morgan asked Greg Perrins up to the stand to answer a few questions from council. Councillor Laura Weisgerber asked about Site C land transfers. Perrins informed everyone that only Macleod Lake has entered into an agreement as of now and all others are under negotiations. The presentation finished with Greg Perrins informing the Council they will be back again with more in depth information about the negotiations, in particular the land parcel agreements.

The next presentation was from Julia Nelson on behalf of the Chetwynd Arts Council. She began with the request for a matching donation of \$4000 to that of the provincial grant they have applied for and hope to receive. The \$4000 from the District of Chetwynd will be added to the \$6399.00 grant they hope to receive from the government and it will go towards their operating costs for the year. Julia also described all the exciting things that will be happening between now and spring for the Chetwynd Arts Council. They received the go ahead to use the Tourist Info Centre on their shoulder season, which gave the Arts council the opportunity to hold their Annual Art Gala for more than one night. The Gala will be on display for an entire month, and they will also be holding workshops throughout the month as well. The Chetwynd Arts Council has been dreaming of this day, Julia says. Council will consider the request for funds and vote on it at a future meeting.

In other community news, Project North Pole plans are finalized for the year. Councillor Rochelle Galbraith informed everyone of the successful banner unveiling last week at the Legion, as well as 4 other banners that have been ordered. Councillor Galbraith has also been designated as the District's representative on a committee to look at the option of a renovated or perhaps new Library. If plans fall into place, a public referendum will be held sometime next year to discuss the options.

The meeting concluded with Mayor Nichols extending a public congratulations to the Chetwynd Fire Department for their hard work and all they do for the community.

Kelsey Roberts, Reporter Coffee Talk Express

November comes  
And November goes,  
With the last red berries  
And the first white snows.  
With night coming early,  
And dawn coming late,  
And ice in the bucket  
And frost by the gate.  
The fires burn  
And the kettles sing,  
And earth sinks to rest  
Until next spring.

## 22nd Annual Take Our Kids To Work PROGRAM

This year on  
**Wednesday November 16th,**  
grade 9 students

across Canada will spend a day in  
the workplace of a parent, relative,  
a friend or volunteer host.

Take Our Kids to Work is the  
Learning Partnership that  
annually involves more than  
250,000 Grade 9 students.

Take our kids day is more than a  
fun day. It's an opportunity for kids to  
understand the importance of staying  
in school, pursuing post-secondary  
studies, apprenticeships and school  
to workplace transitions, as well as  
learning first-hand what skills are  
required in today's workplace. It's an  
opportunity for them to start exploring  
options and a way to see how many  
career choices are open to them.

*Please watch for your grade 9 permission form.*

# WEEKLY HOROSCOPE

## **LIBRA** (Sept. 24-Oct. 23)

Don't let your emotions take over. Quarrels will erupt if you get into philosophical debates with friends. You may feel a need to make changes to your legal documents. You should not get involved in joint ventures. Your lucky day this week will be Friday.

## **SCORPIO** (Oct. 24-Nov. 22)

You can help them with difficult projects. You would be wise to consider attending lectures that will broaden your awareness concerning your professional direction. Confusion regarding other people's money and joint ventures will come to a head. Your ability to work with detail could help you achieve your goals. Your lucky day this week will be Sunday.

## KELSEY'S CHRONICLE

Another Remembrance Day has come and gone as everyone took a moment of silence. The Veterans donned their uniforms in respect and appreciation for the sacrifices made by the men and women who fought for our country. But is the true significance of Remembrance Day slowly slipping away in the new generation of Canadians?

With the First World War a century behind us, the memories fade into history, and in a few more decades the second World War will do the same. The same emotional impact on those left behind seems

less poignant in the modern age of joining the Armed Forces and being deployed. That is not to say that it is any less devastating to see a young soldier at war, yet the world seems to take it a lot more lightly.

Poppies adorned every left lapel around in the remembrance of the many lives that have been lost. Over 120,000 Canadian lives have been lost in the past 100 years. Poppies became the symbol of remembrance in 1921, 6 years after John McCrae wrote the famous poem, "In Flanders Fields." John McCrae was inspired to write the poem after losing a friend in Ypres. In the beginning people wore real poppies but it was only a few years until they began making the plastic replicas. Many factories that made poppies hired ex-servicemen and even today all proceeds collected from the sale of the poppies goes towards Veterans of the war and their families.

Whether in duty in the trenches of Europe in WW1, Fighting Nazis in WW2, or more recently standing against the barbaric fight in Afghanistan, these soldiers deserve our daily support and respect for making Canada the great place it is to live.
