CHAINSaw CARVING MARATHON ANOTHER GREAT SUCCESS

Chetwynd's Annual Chainsaw Carving Half Marathon was another raging success this year. This year's race boasted 20 Full Run registrants and 9 relay registrants. Runners completed a grueling 22 kms while taking in the beautiful sites that Chetwynd has to offer, including a full leg of the run taking place in Chetwynd's amazing Community Forest. First place in the Women's Category was awarded to Hilary Rea with a time of 2:04:37. The Men's was won by Conrad Driver with a time of 1:48:22, and the Relay Team first place was taken by Kayla MacDonald, Lisa Johnson & Sara Hoehn with a time of 2:32:01.

As always with a successful event such as this, there are those working behind the scenes that make it an awesome experience for all who participate. From those working the water stands through the trails, offering strong words of encouragement to the runners, to those at the finish line ready with well deserved comfort

food, our Chetwynd volunteers are nothing short of amazing. With special thanks to be given to event organizer, Elaine Webb. Well done, athletes!

Did you know that peanuts are actually nuts? They're legumes. According to Merriam-Webster, a nut is only a nut if it's "a hard-shelled dry fruit or seed with a separable rind or shell and interior kernel." That means walnuts, almonds, cashews, and pistachios aren't nuts either. They're seeds.
