## WARNING ABOUT NORTHERN HEALTH STAFF IMPERSONATORS

Northern Health has become aware of fraudulent claims about door-to-door surveys and recruitment services where people are pretending to be Northern Health employees. Northern Health has reported these concerns to the Royal Canadian Mounted Police.

Northern Health would like to remind members of the public to be cautious what information they provide to people, and if you are unsure please contact [hello@northernhealth.ca](mailto:hello@northernhealth.ca) or your local health facility. If you feel that your personal information may be compromised, please contact the Royal Canadian Mounted Police or the Canadian Anti-Fraud Centre.

### Door-to-door air quality surveys

There are claims that a person is going door to door in Prince George claiming to be a Northern Health employee conducting air quality surveys. The person comes back a short time later and requests access to the person's house. The person does produce some form of identification saying they're with Northern Health. At this time our program areas are not conducting door to door surveys, and do not normally undertake this type of work. Our outreach usually happens at community events. If a Northern Health employee is coming to your house, it is usually with a pre-booked appointment.

If you are concerned about someone coming to your door claiming to be a Northern Health staff member, please take down their name and call one of our facilities to confirm their employment and purpose. Contact information for Northern Health facilities is available on [Northernhealth.ca](http://Northernhealth.ca). If the person does not work for Northern Health or you do not feel comfortable with the encounter, you should also contact your local RCMP office.

### Recruitment scam

We have become aware that internet and telephone scammers have been impersonating Northern Health employees to try and obtain personal information. We do not hire or accept any applications through social media sites, by phone, or by text. Our [ExpectMore](http://ExpectMore) website is the only place to apply for a job at Northern Health. Northern Health does not collect any personal information, including banking details, by phone or text. If you think you may have been contacted by someone impersonating a Northern Health employee, please call 1-877-905-1155 (toll free) to report the incident. To learn more about scams and how to protect yourself, visit the [Canadian Anti-Fraud Centre](http://Canadian Anti-Fraud Centre).

This is the true joy in life, the being used for a purpose recognized by yourself as a mighty one; the being thoroughly worn out before you are thrown on the scrap heap; the being a force of nature instead of a feverish selfish little clod of ailments and grievances complaining that the world will not devote itself to making you happy. ~George Bernard Shaw
