## FATAL CRASH CLOSES HIGHWAYS NEAR CHETWYND

A fatality took place the night of October 6th due to a single-vehicle rollover 2 km north of the Chetwynd intersection of Highways 29 and 97. One other person is being treated in hospital.

It's reported that the two individuals inside of the vehicle were not wearing seat-belts at the time of the accident. Their identities have not been released at this time.

Highway 29 was closed overnight, but reopened 8:43am Friday October 7th.

The investigation continues.

## FORT ST. JOHN AND DAWSON CREEK HOPING TO HOST THE 2017 WORLD UNDER-17 HOCKEY CHALLENGE

The Cities of Fort St. John and Dawson Creek are looking to once again host the 2017 World Under-17 Hockey Challenge. Fort St. John is still pending approval for participation from its city council before staff from both cities and Hockey Canada make a final decision. The two cities successfully co-hosted the event in 2015. The event brought sold-out crowds and an amazing win from Team Canada White. The net profit each city gained from the competition was close to \$60,000 dollars, which was put into supporting local sports and culture within both communities. More details and opportunities for community involvement will be announced once negotiations have been finalized.

## Double CHEESE Double BACON BURGERS

AND DOUBLE NAPKINS, PROBABLY.

How do you top a burger that's made with 100% pure beef raised without the use of hormones or steroids? Generously, that's how. Like a double helping of cheese and naturally smoked bacon. Because when you've made Canada's best tasting burger, there's nowhere to go

October is crisp days and cool nights, a time to curl up around the dancing flames and sink into a good book.

# HOROSCOPE

**ARIES** (Mar. 21- April 20) Reevaluate your situation. Keep calm. Someone around you is bouncing off the walls. Sit back and observe, regardless of how hard that might be. You will be accident prone if you aren't careful this week. Your lucky day this week will be Tuesday.

**TAURUS** (Apr. 21- May 21) Don't let your personal problems interfere with your professional responsibilities. You will be highly entertaining when in contact with your lover. You should consider getting your whole family involved in a project at home. For best results get out of the office and do your job en route. Your lucky day this week will be Sunday.

**GEMINI** (May 22-June 21) Your stability will aid you in getting support from your fellow workers. You may be thinking of starting your own business. You can make progress if you deal with the right individuals. Your dramatic approach to life has probably gotten to your mate. Your lucky day this week will be Tuesday.

**CANCER** (June 22-July 22) If you can mix business with pleasure much can be accomplished. Property deals will pay big dividends. Secret love affairs may be enticing; however, you must be prepared for the restraints that will follow. Believe in yourself and so will those who count. Your lucky day this week will be Sunday.

**LEO** (July 23-Aug 22) Make amends if you can. Do not let in-laws upset you. You may be experiencing emotional turmoil in regard to your mate. Travel may be confusing. Your lucky day this week will be Friday.

**VIRGO** (Aug. 23 -Sept. 23) Your outgoing charm and obvious talent will be admired. Residential moves will also be advantageous for all concerned. You can make gains if you look at long-term investments. You may have difficulties with family members if you get involved in petty arguments. Your lucky day this week will be Saturday.

**LIBRA** (Sept. 24 -Oct. 23) You can make new connections through friends or relatives. You have to know what your boss wants if you expect to do your job correctly. Those who have been too demanding should be put in their place or out to pasture. The home environment will be unpredictable this week. Your lucky day this week will be Saturday.

**SCORPIO** (Oct. 24 - Nov. 22) Limitations on the home front can be expected if you have been restricting your mate's freedom. Try not to argue about trivial matters. You'll find it easy to deal with government agencies or large institutions. You may want to get a little extra rest. You are prone to infections and fevers. Your lucky day this week will be Sunday.

**SAGITTARIUS** (Nov. 23 -Dec. 21) Dig deep, ferret out any hidden concerns before you sign your life away. You will enjoy lavish forms of entertainment and should consider making arrangements early. If you've been really busy, try to schedule some time to spend with loved ones. Opportunities will come through behind the scenes activities. Your lucky day this week will be Monday.

**CAPRICORN** (Dec 22.- Jan. 20) Try to get away with your mate. You can increase the value of your dwelling. Look into residential moves that will give you more space. You must not let fellow workers take advantage of your fine talents. It may not be the best time to socialize with clients or colleagues this week. Your lucky day this week will be Thursday.

**AQUARIUS** (Jan. 21 -Feb. 19) You can make professional decisions this week that will affect your position. Lay your cards on the table regarding your personal direction. Stay out of other people's affairs. You will be entertained and intrigued by the logic foreigners possess. Your lucky day this week will be Monday.

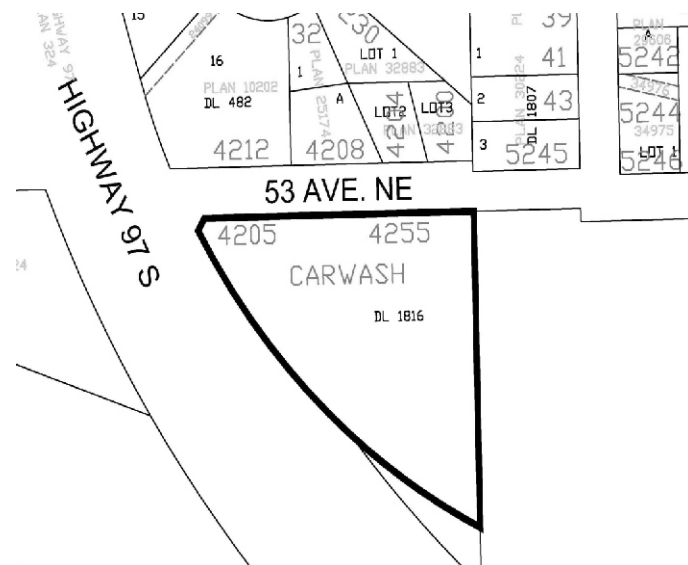

**PISCES** (Feb. 20-Mar. 20) False information is likely if you listen to idle chatter or gossip. Changes in your home may be disruptive and upsetting. Your mate will appreciate your honesty. Put financial speculation with family members or friends on the back burner for now. Your lucky day this week will be Sunday.

## NEW MRI MACHINE COMING TO THE PEACE

Northern Health is taking a step forward with their 10-year medical imaging strategy as they prepare to bring new MRI machines to the Peace Region. The Mills Memorial Hospital in Terrace and the Fort St. John Hospital and Health Centre will each be receiving a permanent machine, as well as the University Hospital of Northern BC. All three machines, with installation, cost \$8.3-million dollars. The funding for them was provided by the province of BC, three regional hospital districts and Northern Health.

# CORRECTION TO THE COUNCIL MEETING ARTICLE

(Article ran Friday, Oct 7th, 2016)

A correction needs to be made and addressed regarding the council meeting article that was in last Friday's paper. I want to start off by apologizing, as I misunderstood the situation and the process of decision making by the council. The statement that was printed was that after the completion of the application and payment of fees, Somerville-Aecon will be granted permission to install bulk fuel tanks in the lot beside the new car wash.

The process does not actually end there, as it still needs to be brought to a public input hearing. After that, the permit may or may not, subject to public input, be granted to install the fuel tanks. My apologies to anyone who this has affected and I will be sure to confirm all information in the future.

## MP ZIMMER PLEASED WITH THE RESULT OF VOTE ON BILL C-246

Bob Zimmer, Member of Parliament for Prince George-Peace River-Northern Rockies and Co-Chair of the Parliamentary Outdoor Caucus, voted against Bill C-246 the *Modernizing Animal Rights Act* which was defeated 198-84.

"I am pleased that Bill C-246 was defeated by strong opposition on all sides of the House of Commons," said Mr. Zimmer. "While there are areas of this bill that I am supportive of, some amendments to the Criminal Code were very concerning, specifically interpretive language that could criminalize historic and normal activities of hunting, fishing, farming and trapping."

Canada already has strong animal protection legislation which was strengthened in 2008 by Bill S-203 which strengthened penalties for those who harm animals.

"I want to especially thank my Parliamentary Outdoor Caucus Co-Chair Yvonne Jones, MP for Newfoundland and Labrador, fellow outdoor advocates Robert Sopuck, MP and Gudie Hutchings, MP for all their efforts to see that hunters, anglers, farmers and trappers livelihoods are maintained."

## HALLOWEEN TRIVIA

Black and orange are typically associated with Halloween. Orange is a symbol of strength and endurance and, along with brown and gold, stands for the harvest and autumn. Black is typically a symbol of death and darkness and acts as a reminder that Halloween was once a festival that marked the boundaries between life and death.

## KINDERGARTENERS USE THEIR IMAGINATION TO GET IDEAS.

On Wednesday morning the kindergarten/grade 1 class from Little Prairie Elementary went on a long trek from the school to Super Valu where the class looked at produce.

They have been discussing vegetables and fruit in class and were on the search with their imaginations for things to create "Mr. Potato heads".

The staff was more than hospitable at Super Valu where they had juice boxes, bananas and cookies for the kids, as well as some pre made potato heads to give the kids ideas.

The class did not purchase any vegetables as they have some growing already at the school's green house. They plan to harvest the veggies and build their "Mr. Potato Heads" just before the school's harvest fest, later this month.
