HALLOWEEN SAFETY: TIPS FOR FAMILIES

- Halloween can be a fun and exciting time for kids. These safety tips for parents, children and homeowners will help keep everyone safe and happy this Halloween.
- **For parents:**
 - Do not use masks. Masks make it hard for children to see what's around them, including cars. Try a hypoallergenic (less likely to cause an allergic reaction), non-toxic make-up kit instead.
 - Make or buy costumes in light-coloured material.
 - Place strips of reflective tape on the back and front of costumes, so that drivers can better see your child.
 - Costumes should fit properly to prevent trips and falls. Avoid items such as oversized shoes, high heels, long dresses and long capes.
 - Dress your child for the weather. Add layers if needed.
 - Put your child's name, address and phone number on their costume.
 - Children under 10 should be accompanied by an adult for trick or treating. By the age of 10, some children are ready to go trick-or-treating with a group of friends.
- **If your child is going out without an adult:**
 - Make sure your child is in a group of at least 3 people.
 - Give them a flashlight. A cell phone is also a good idea if you have one.
 - Discuss in advance the route they should follow. Ask them to call you if they plan to go on a street that isn't on the route.
 - Set a curfew (and make sure they have a watch with them).
 - Tell your children not to eat anything until they get home.
 - Don't visit houses that are not well lit. Never go inside a stranger's house.
 - Use the sidewalk whenever possible. If there's no sidewalk, walk on the side of the road facing traffic.
 - Don't criss-cross back and forth across the street. Work your way up one side of the street, and then start on the other.
 - If you have any allergies, tell the person who is giving out the treats.
 - If you have allergies that need an EpiPen, bring it with you and let your friends know what to do if you need it.
- **For homeowners:**
 - Turn on outdoor lights, and replace burnt-out bulbs.
 - Remove items from your yard or porch that might trip a child.
 - Sweep wet leaves from your steps and driveway.
 - Use alternative to candles in your pumpkins, such as a flashlight or a battery-operated candle.
 - Some children have food allergies. Consider giving treats other than candy, such as stickers, erasers or a small toy.
 - Put out a teal-coloured pumpkin or a poster of one in your window to let children with food allergies know that what you're handing out is allergen-free (e.g., not food).

PEACE RIVER REGIONAL DISTRICT

Honourable John Horgan, Premier
PO Box 9041 STN Prov Govt
Victoria, BC V8W 9E1

Sent Via Email: premier@gov.bc.ca

Dear Premier Horgan:

Re: Leaders' Table re: Caribou

On October 10th, the Peace River Regional District wrote to you to express extreme disappointment that the Board did not receive an invitation to participate in the proposed Leaders' Table regarding the Draft Intergovernmental Partnership Agreement for the Conservation of the Central Group of the Southern Mountain Caribou.

As stated in that letter, the Peace River Regional District (PRRD) has advocated for months for open and transparent communication regarding caribou recovery in the Province, and that a seat at the table be provided to the Regional Board as the Province works towards a conservation and recovery plan for caribou. Also in that letter, the Regional District requested a timely response regarding the request for an invitation to the Leaders' Table.

Premier Horgan, you visited the PRRD on April 15, 2019, at which time you acknowledged the concerns of the public regarding lack of information and committed to doing better moving forward, starting with the appointment of Mr. Lekstrom as a liaison to the region and the extension of the public consultation period to May 31, 2019.

The PRRD does not feel that the situation or information flow have noticeably improved since your visit in April of 2019. Your appointee, Mr. Brownsey, addressed the Board on August 23, 2019 to introduce the idea of a Leaders' Table with the PRRD Board, at which time he suggested that additional consultation with First Nations and Industry representatives was required prior to formal establishment of the Leaders' Table. It is the sincere hope of the PRRD that our neighbouring communities and industry are not being ignored as the Regional District has been since Mr. Brownsey's visit.

The PRRD requests the dignity of a response to our enquiries:

- Will the Province proceed with the creation of the Leaders' Table? Have any meetings taken place?
- If so, will the PRRD be invited to name a representative to the Leaders' Table?
- Who has been invited to name a Leaders' Table representative, and who has accepted?
- Have the Terms of Reference for the group been drafted? If so, may the PRRD receive a copy to assist the Board to understand the role of the Leaders' Table as the Province moves toward protection and preservation of the southern mountain caribou?

Sincerely,

Brad Sperling
Chair
