## COUNCIL MEETING

The District of Chetwynd's first regular council meeting of April took place this past Tuesday, April 3rd. Councillor Weisgerber was on conference call while enjoying her vacation in Arizona and Councillor Bassendowski was absent.

The meeting began with a presentation from Mark Bartkoski of Conuma Coal Resources with an update on the coal mines. He began his presentation by mentioning how they have been working very hard to maintain a good relationship with Tumbler Ridge, Chetwynd and their 4 First Nations partners. He ran through a bit of the process of extracting the coal from the earth in a 5 step process, and also mentioned their efforts to remove more ash content from the finished product, making their metalurgical coal of stronger quality. Mr. Bartkoski reiterated their goal to hire over 270 employees for the opening of their third mine in the area, the Willow Creek Mine, this July. Mark is hoping that the majority of these employees are local people, or are relocating to the Chetwynd or Tumbler Ridge areas, as he said fly in fly out workers tend to usually be short term employees.

The next presentation was from Carmen Westgate from the Chetwynd International Chainsaw Carving Championship Society asking Mayor and Council for \$40,000 to help with the event this year. Chetwynd's Chainsaw Carving Championship is only 2 months away and there is a looming budget of \$112,000 to hold the event. The budget includes the carvers' appearance fees, awards, judge fees, carvers meals, wood and many more expenses. Carmen mentioned that half of the wood has already been paid and 2 of the 3 prizes have been sponsored. The society will be holding raffles, and a dinner and dance on May 12th to help raise money for the internationally recognized event. If you are able to help sponsor the event, don't hesitate to contact the society for details.

Next, Council authorized that a letter of support be sent for the UNBC, NLC and Northern Health for the proposed Bachelor of Nursing Degree Program. They also agreed to send a letter of support for the Chetwynd Communications Society to Rogers Communications.

A man is on a game show. He is presented with two doors, one on the left, and one on the right. Behind one is 2 million dollars, and behind the other is a donkey. Choose the correct door to win the prize. There are also two men in front of the doors, and they know which door leads to the millions. One wears a black hat, and the other wears a white hat. The host explains that one of the men is a liar, and will always lie, and the other man will always tell the truth - but you do not know which is which. You can ask only one of the men only one question. What is the question, and which man do you ask to ensure you win the money?

*ask either man the following question: "If I asked the other guy which door has the money, what would he say?" and then choose the opposite door. The liar will lie about the "correct answer, so you must choose the opposite door. The truth teller will tell the truth so you choose the opposite door as well.*

## COUNCIL MEETING

*Continued from front page*

The Mayor or an alternate was also decided to be attending the Federation of Canadian Municipalities Conference in Halifax at the end of May.

A zoning amendment application was defeated by Mayor and Council not once, but twice. At March's last council meeting, an application was brought forward asking to rezone a lot that has been deemed airport usage to light industrial, opening up the unused lot for many more uses, except airport uses. The application was moved forward to the next step of the process after the narrow vote passed the application. When the application was revisited this past Tuesday, Council members were on the fence, leaving the motion to "receive the report for information" defeated. A new motion was made that the public hearing process move forward, but again, council was split down the middle, leaving the decision to be defeated once more.
