## Chetwynd Youth Groups Hold Food Drive For Chetwynd's Christmas Hamper

Tyler Kinsey, the Chetwynd Peacelander's Deputy Director stopped by the Coffee Talk Last week to tell us the great news that the Peacelanders, Pathfinders, Adventure club and "Kids on the go" managed to collect 852 food donations to give to Chetwynd's Christmas Hamper.

Around 30 people showed up, kids and parents, to help with the food drive. They were collecting donations door to door and managed to get the better half of Chetwynd covered. The other areas that were not done, were not forgotten about, they plan to go another round on October 14th, if the weather cooperates. If your area was missed or was already passed and you didn't get a chance to donate, don't fret, you can drop off donations at Mickey's Place anytime Monday to Friday.

Christmas hampers go towards helping less fortunate families in our community have a better Christmas. So if you're able to help out, don't hesitate to make a cash or food donation to help everyone in Chetwynd have a merrier holiday season.

## **Elenor (Hofferd) Roberts** **1937-2018**

It is with great sadness and regret that we say goodbye to our mother, Elenor (Hofferd) Roberts. She passed suddenly but peacefully, surrounded by family who loved her deeply.

Elenor was a dedicated and caring registered nurse who helped deliver a generation of Chetwynd Hospital babies and tended to the physical and emotional needs of many, many people. Elenor and Russell Hofferd were committed civil servants to the entire Peace River area. A very sincere thank you to all of their friends and colleagues who were so important to them.

Elenor's later years were spent in Dawson Creek with her second husband, Harold Roberts, supporting Ducks Unlimited with passion. She moved to Kelowna after he passed to be closer to her children, grandchildren and great-grandchildren.

She was pre-deceased by two loving spouses, Russell Hofferd and Harold Roberts. Her surviving, heartbroken family are too numerous to include here.

There will be a celebration of Elenor's life in Kelowna, BC, Saturday, October 27, 2018, 1 p.m., at the Springfield Funeral home. If you wish to contact a family member or to share a story or picture, send to:

[Elenors.legacy@gmail.com](mailto:Elenors.legacy@gmail.com)

In Elenor's memory, please support your local Salvation Army, hospital auxiliary and pediatrics units.

Peace and blessings, Tim, Brent and Ruth (Asleson) Hofferd and families

## Meet Your Local Election Candidate

### Jocelyn Disher

#### A LITTLE ABOUT JOCELYN

Allow me to introduce myself. My name is Jocelyn Disher and I am proud to say that Joe and I have made Chetwynd our home for close to 25 years. We have raised our 2 sons here and have many ties to this community. During my time in Chetwynd, I have served on the Chetwynd Minor Hockey Board, Kidsport, and currently the SPCRS board. I have brought to Chetwynd the Bursting With Brilliance women's seminar and have supported and volunteered in many different initiatives in Chetwynd. I believe that I do know my community and what it is asking for. Although I am new to the political forum, I can tell you that I have the best interests of Chetwynd at heart and I will convey what I am hearing back to the Council. I look forward to representing your voice on our town council.

#### What do you cherish most about the community?

Chetwynd is an amazing little town that offers so much. Our physical location is beautiful allowing us to enjoy so many outdoor activities year round. The fact that I can walk almost anywhere and that I feel safe at night. Kids have the freedom to be outside and their parents feel ok about that. I love the small town feel where people know your name!

#### What specific qualities do you possess that will make you an ideal candidate for council?

I am an excellent listener and researcher. When I am unsure about something, I have no problems admitting that and going after the answer.

#### What does a sustainable future for our community look like?

Working with our local natural industries to bring permanent residents to our community, having a thriving retail community, basically developing our community into one people want to call home.

#### What are the most important challenges facing our community?

We have many challenges right now. The influx of transient workers, lack of clarity and transparency from our district, lack of housing for possible residences, lack of workers for our retail industries.

## Council Meeting Oct 2nd

Last Monday's council meeting was fairly short and sweet. It began with a presentation from Chris Larsen, Chetwynd International Chainsaw Carving Championship Society's new President.

Chris came to council to give an update on the recent changes to the executive committee after their AGM a few weeks prior. Chris sits as the board's new President, with Vicki Embree as Vice President, together with a board of enthusiastic directors. Mr. Larsen mentioned that even with the sudden change up of members they have a great looking board of directors ready to plan, organize and execute another great Chainsaw Carving Championship. They have already been prospecting and lining up wood to get the best of the best. Mr. Larsen also went on to extend the society's help with anything and everything that goes along with the event, and that their society has come up with many great ideas to help showcase older carvings, past their prime.

The Chetwynd International Chainsaw Carving Society will be holding many fundraising events between now and June 2019, starting with their Halloween Dance at the Pine Valley Exhibition Park.

So if you're a fan of the Chainsaw Carving Championship, be sure to watch out for more events to help raise the necessary costs to put on our town's highly acclaimed, internationally recognized event!

The meeting then moved along to pass a bylaw exempting certain properties from taxation. An email was received from Tumbler Ridge asking for council's support in the upgrades to the Gwillim Lake Park.

Council authorized that Mayor or an alternate attend the Opening of the New Trades Centre in Dawson Creek on October 11th. Mayor and council were also invited to the Doug Little Memorial Dinner and Lecture at UNBC in Prince George. They moved on to authorize council members to travel to Ottawa to attend and to speak to elected officials and staff about Federal and Provincial initiatives to protect caribou and their habitats.

The last item discussed was the decision to postpone the Nicholson Road Water Looping Project and defer the budgeted amount of \$455,000 over to 2019's financial plan. The decision was made after the company awarded the project back in April, IDL Projects, asked for the extension due to a shortage of labourers.
