CRIMINAL JUSTICE BRANCH ISSUES GUIDELINES FOR PROSECUTORS DEALING WITH PHYSICIAN-ASSISTED DEATH

In response to the decision of the Supreme Court of Canada in *Carter v. Canada (Attorney General)*, 2015 SCC 5, [2015] 1 S.C.R. 331, the Criminal Justice Branch, Ministry of Justice (CJB) has provided British Columbia prosecutors with guidelines to assist them in the exercise of their charge assessment discretion when considering the involvement of healthcare professionals who are not physicians but who are involved in the provision of physician-assisted death.

These guidelines, summarized below, are intended to address a lack of clarity with respect to the application of the *Criminal Code* provisions to non-physician medical professionals.

Background

In *Carter v. Canada (Attorney General)*, 2015 SCC 5, [2015] 1 S.C.R. 331, the Supreme Court of Canada held that, insofar as sections 241(b) and 14 of the *Criminal Code* prohibit physician-assisted dying in certain circumstances, they violate the section 7 *Charter* rights of competent adults. This infringement is not justified by section 1.

In its ruling the Court declared that these sections, "... are void insofar as they prohibit physician-assisted death for a competent adult person who (1) clearly consents to the termination of life; and (2) has a grievous and irremediable medical condition (including an illness, disease or disability) that causes enduring suffering that is intolerable to the individual in the circumstances of his or her condition."

The Court suspended its declaration of invalidity to allow Parliament to pass legislation. Parliament has not passed legislation by the June 6, 2016 deadline imposed by the Court.

SENIOR HIT BY TRANSPORT TRUCK IN GRAND CACHE

A 70 year old woman is on life support after being dragged 100 feet by a transport truck in Grande Cache. The incident happened around 4:45 p.m. Tuesday on Shand Avenue.

The truck's driver had done a full walk around and got into his vehicle when the woman entered a blind spot in front of the hood. The driver took off but stopped when he heard screaming. RCMP Sergeant Jack Poitras says the senior was hard of hearing and likely couldn't hear the truck.

She was taken to the Grande Cache Hospital and then transported by STARS Air Ambulance to the University of Alberta Hospital in Edmonton. She suffered lost limbs and is in critical condition. No charges are being laid. Her name is not being released out of respect for the family.

CRIMINAL JUSTICE BRANCH ISSUES GUIDELINES FOR PROSECUTORS DEALING WITH PHYSICIAN-ASSISTED DEATH

Continued from front page

Guidelines

The Branch recognizes that a physician-assisted death may require the involvement of various healthcare professionals, including nurses and pharmacists. When charges are assessed on a case by case basis, the conditions of physician-assisted death set out in *Carter* should be applied to physicians and to other health care professionals involved in carrying out, or providing information about, a physician-assisted death.

When the conditions in *Carter* are met, pursuant to the CJB policy on Charge Assessment Guidelines (CHA 1) there is no substantial likelihood of a conviction for charges under section 241(b) for physicians or other healthcare professionals involved in carrying out a physician-assisted death, including nurses and pharmacists, nor would the public interest test be met.

The best executive is the one who has sense enough to pick good men to do what he wants done, and self-restraint enough to keep from meddling with them while they do it. ~Theodore Roosevelt

CANCER (June 22-July 22) You will be full of energy and you need to find something constructive to do. Try to keep any mood swings under control; they may result in alienation. You have two choices; Get out on your own, or bend to your mate's whims. The key to feeling good about yourself will be to do something about it. Your lucky day this week will be Tuesday.

LEO (July 23-Aug 22) You can make it up to them later. Do you really want to start something with someone you can't reason with? Travel will be good if you are seeking knowledge. Control your emotions and everything will fall into place. Your lucky day this week will be Friday.

VIRGO (Aug. 23 -Sept. 23) Residential moves will be in your best interest. Do not let in-laws upset you. Put your efforts into making constructive improvements to your environment and to your state of mind. Observations will be far more productive. Your lucky day this week will be Saturday.

LIBRA (Sept. 24 -Oct. 23) You are best not to confront situations that deal with in-laws or relatives. Travel will be favorable. Visit friends or relatives you rarely see. If you haven't already, don't be afraid to start your own small business on the side. Your lucky day this week will be Saturday.

SCORPIO (Oct. 24 - Nov. 22) A female colleague may cause problems for you. You must steer clear of overindulgent individuals. You may want to take a look at your direction in life. Don't bend to the pressure. Your lucky day this week will be Monday.

SAGITTARIUS (Nov. 23 -Dec. 21) You can make new friends and experience new things if you do a bit of traveling. Be careful when dealing with superiors. Secret affairs can only lead to devastating circumstances. Your high energy should be spent pleasing your mate. Your lucky day this week will be Friday.

CAPRICORN (Dec 22.- Jan. 20) A friendship might suffer if money becomes an issue. Expect your workload to be heavy. You need to spend some time getting to know this person all over again. You may be experiencing emotional turmoil in regard to your mate. Your lucky day this week will be Thursday.

AQUARIUS (Jan. 21 -Feb. 19) You can come into money; however, perhaps not under the best circumstances. It's a favorable time for real estate, investments, and moneymaking opportunities to be successful. The emotional state of peers may cause a problem for you. Too much work and no play will not only result in fatigue and frustration but also loneliness, too. Your lucky day this week will be Tuesday.

PISCES (Feb. 20-Mar. 20) You should avoid getting involved in the personal problems of colleagues. Get involved in competitive sports. Friends will appreciate your attention and playful nature. So smile! Don't promise to deliver the goods if you aren't positive that you can meet the deadline. Your lucky day this week will be Sunday.
