WORKING TO MAKE A DIFFERENCE IN THE WORLD

communities in more than 70 nations on 7 continents, reversing the cycle of poverty in a simple, direct, effective and surprising way: We help women have access to sustainable feminine hygiene. One of the major causes of disempowerment of girls in poverty is their monthly cycle. Many girls cannot afford feminine hygiene products and as a result cannot attend school. A girl absent from school due to menstruation for 4 days of every 28 day cycle loses 13 learning days, the equivalent of two weeks of learning every school term. Studies show that every year of schooling increases a girl's future earning power by 10 to 20 percent, allowing her to break the cycle of poverty.

There are millions of girls and women worldwide who suffer days of isolation, infection, and exploitation due to this single issue-- it will take all of us to reach all of them. With attention to collaboration, and responsiveness to local feedback, Days for Girls tackles large systemic challenges with simple solutions that are turning out to be key to social changes.

Days For Girls-Chetwynd Team: Numerous people in our community have been working since September to make these reusable kits for girls; donating their time to help with the sewing and construction of the kit items, as well as donating fabric, materials and money to fund this project. Special thanks to the many volunteers and donors: J. Strachan, J. Lawson, D. Gerry, M. Mabiis, A. Evans, J. Campbell, R. Doucet, J. Chmelyk, P. Harrison, D. Stewart, D. Boos, J. Lisa, J. Taylor, T. Kirschbaum, B. Boisvert, M. Rainey, R. Rainey, A. Cartwright, M. Fofonoff, A. Sigouin, T. Walker, N. Robbins, J. Roberts, R. Watson, A. Collins, D. Jubbs, M. Moffat, V. DeHaas, Glenda French, C. Overhill, M. Tessier, Pomeroy Hotels, and the Shared Ministry Church.

The Days For Girls-Chetwynd Team is planning to start again this September. You do not need to sew to volunteer or help in some way. Also, you can choose to sponsor a meter of fabric or other materials. The Scrap Basket is taking donations for the Days For Girls-Chetwynd Team and is sponsoring the fabric. If you would like to be a part of this next year's project or if you have questions, please feel free to contact Linda Garland at 788-2432.

People are always blaming their circumstances for what they are. Don't believe in circumstances. The people who get on in this world are the people who get up and look for the circumstances they want, and, if they can't find them, make them.

The breakfast slimes, angel food cake, doughnuts and coffee, white bread and gravy cannot build an enduring nation.
