MAKE PREPAREDNESS YOUR RESOLUTION FOR 2017

With a new year here, why not invest in a resolution that could save your life or the life of a loved one or neighbour?

Emergency Management BC (EMBC) is urging you to make emergency preparedness a priority and to invest in preparedness for your home, your family, your neighbourhood, and your community.

Through PreparedBC, EMBC offers tips and resources to help make personal preparedness easily achievable. Start by building an emergency kit and developing a household plan that you and your family can practice throughout the year and be confident in.

Creating a home emergency kit doesn't need to take long or become costly. Just follow the basic list below and remember to store your collected supplies in an easy-to-access location during an emergency:

- First Aid kit
- Battery-powered or hand-crank radio
- Flashlight and extra batteries
- Whistle to signal for help
- Cellphone with charger (inverter or solar charger)
- Cash in small bills
- A local map with your family meeting place identified
- A minimum three-day supply of food and water
- Garbage bags
- Dust mask
- Seasonal clothing and footwear
- Water (minimum of four litres of water per person, per day)

Other PreparedBC Resources are available at: www.gov.bc.ca/preparedbc - including a Household Preparedness Guide and Household Emergency Plan, Neighbourhood Preparedness Guide, Pet Preparedness Guide, Resource for People with Disabilities, and Guide for Apartments, Condos and Townhomes.

Make your 2017 New Year's resolution something your family or friends prepare for before disaster strikes.

"Little January
Tapped at my door today.
And said, "Put on your winter wraps,
And come outdoors to play."

Little January
Is always full of fun;
Until the set of sun.

Little January
Will stay a month with me
And we will have such jolly times -
Just come along and see."

- Winifred C. Marshall, January

HOROSCOPE

ARIES (Mar. 21- April 20) You may find that you're being used. Short trips will prove to be more fruitful than you imagined. Do your own thing and everything will settle down. Compromise if you wish to have any fun at all. Your lucky day this week will be Friday.

TAURUS (Apr. 21- May 21) Talk to superiors about problems that you feel are getting out of hand. Partners may try to argue with you; however, you must stand your ground. You'll look guilty if you don't lay your cards on the table. Do a little investigating if there is someone at work you don't trust. Your lucky day this week will be Sunday.

GEMINI (May 22-June 21) Be careful not to push your luck or take too much for granted when dealing on either a personal or professional level. Limitation could set in if you've been spending too much. Friends may not be completely honest with you. Be very careful while in transit or while travelling in foreign countries. Your lucky day this week will be Friday.

CANCER (June 22-July 22) It's time to reconnect with some of the people you used to know. Career changes may not be your choice right now, but in the long run they will be to your advantage. You may be sensitive to a point of absurdity. The locks, stove, gas, or electric wires may not be secure. Your lucky day this week will be Monday.

LEO (July 23-Aug 22) Get the red tape and the unwanted paperwork out of the way. You will earn recognition for the work you are doing. Try not to be too lavish with your lover. You may find yourself in a predicament with family members. Your lucky day this week will be Tuesday.

VIRGO (Aug. 23 -Sept. 23) Short trips to visit others will do the whole family a world of good. Real estate investments could be to your advantage. You will reap the benefits if you put money into upgrading your residence. Don't involve yourself in the emotional problems of those you work with. Your lucky day this week will be Monday.

LIBRA (Sept. 24 -Oct. 23) Make sure that you have all the pertinent facts before taking action. You need a change of pace. You can have quite the romantic adventure if you take time to get to know your mate all over again. Avoid any gossip and be careful that you aren't misinterpreted. Your lucky day this week will be Saturday.

SCORPIO (Oct. 24 - Nov. 22) Sudden changes concerning coworkers may surprise you. Your positive attitude and intellectual outlook will draw others to you. Don't jump the gun; you may find yourself getting angry at the wrong person. Don't lend or borrow. Your lucky day this week will be Tuesday.

SAGITTARIUS (Nov. 23 -Dec. 21) Controversial subjects should be avoided at all costs. Misunderstandings could cause confusion and upset. You will find your vitality is lowered. It might be best to work on your own; if possible, do your job out of your home this week. Your lucky day this week will be Monday.

AQUARIUS (Jan. 21 -Feb. 19) You may be frazzled this week. You must be extremely careful not to let relatives or friends interfere in your personal life. You will easily capture the interest of those you talk to. Make plans to do the things you enjoy. Your lucky day this week will be Friday.

PISCES (Feb. 20-Mar. 20) Try to keep an open mind. Listen to the advice given by others. You can make money if you get involved in real estate deals. When the work is done, they may serve you for a change. Your lucky day this week will be Wednesday.
