PRINCE GEORGE RCMP LOOKING FOR MISSING MAN

Prince George RCMP want your help in locating a missing man.

48-year-old Gabriel Anthony Cabral hasn't been seen in two weeks. He's described as a 5'11" First Nations male, weighing 170 pounds with a thin build. He has short black hair with a receding hairline and brown eyes.

His family and friends say it's out of character for Cabral to be out of contact with them, and he's been known to travel to Kelowna.

If you have any information about Cabral's whereabouts, you're asked to contact Prince George RCMP at 250-561-3300.

Courtesy of Peace FM

PEACE REGION ONE OF WEALTHIEST IN CANADA

According to 2016 census data, the Peace Region is one of the highest earning areas in Canada.

The region saw two cities place within the top 10 in the country in terms of median income, and two of the top 5 in terms of income growth.

Fort St John was the fifth highest earning city in Canada, earning more than 107 thousand dollars per household, according to the 2015 data. Grande Prairie slotted in at sixth with over 105 thousand per home.

Dawson Creek and Prince George also ranked in the top 5 in BC, and Dawson Creek came in at number one in the province for income growth with over 30% across the last ten years.

The data shows a massive surge in earnings in the Peace Region, with 11 towns and cities ranking above the Canadian national median of 70,366 dollars.

Teen Burger

\$3.50
ONLY

Price plus tax.

For a LIMITED Time

This is not a drill. The Teen Burger is really just \$3.50. What's changed? Nothing except the price. It's still made with the best ingredients—100% pure beef raised without the use of hormones or antibiotics, bacon that's naturally smoked with pecan wood, melted processed cheese, crisp lettuce and vine-ripened tomatoes. It's just really good food at a really good price, for a limited time.

RAISED WITHOUT
the use of
HORMONES OR STEROIDS

The luxury of all summer's sweet sensation is to be found when one lies at length in the warm, fragrant grass, soaked with sunshine, aware of regions of blossoming clover and of a high heaven filled with the hum of innumerable bees.

dennis@gochetwynd.com

The aim of
education should be
to teach us rather
how to think, than
what to think —
rather to improve
our minds, so as to
enable us to think
for ourselves, than
to load the memory
with thoughts of
others.
