The word of the day is **ersatz**:  
being a usually artificial and  
inferior substitute or imitation.  
Examples: If I'm going to eat ice  
cream, I want the real thing, not  
some non-fat *ersatz* version of it.

*A lot*  
**DELICIOUS!**

Try the Maple Chipotle Papa Burger®

How do you make a great thing better? Start with two patties made from perfectly seasoned 100% pure beef, raised without the use of hormones or steroids. Add crispy onions, double-smoked bacon and a slice of cheesy goodness. Then finish it off with a touch of maple BBQ sweetness and a spicy chipotle mayo kick. Your tastebuds won't know what hit 'em!

## WINNERS OF THE MOST ULTIMATE

## SCHOOL PACKAGE

*Ever!*

Winners of "THE MOST ULTIMATE SCHOOL PACKAGE EVER" were Payton LePretre and Harper Currier.

The contest was sponsored by The Pencil Box and Software Emporium.

Payton didn't know her Gramma, Jennifer LePretre entered her name in the contest, and when Jennifer brought Payton into the store, she was somewhat overwhelmed when she was presented with a laptop computer, speakers, printer and a whack of school supplies.

Little Harper Currier won the preschool package which consisted of a play table, 4 chairs and art supplies.

In order to qualify, adults with kids, relatives or friends aged anywhere from pre-school to grade 12 had to have purchased at least \$20 in store. There were well over 400 entries.

We're confident both young ladies will get a lot of use out of their Ultimate winnings!

Congratulations to both.

# WEEKLY HOROSCOPE

**ARIES** (Mar. 21 - April 20) Romance will be yours if you get out and do things in large groups. Your charm will attract members of the opposite sex. You need to take a break with the ones you love. Money may slip through your fingers. Your lucky day this week will be Friday.

**TAURUS** (Apr. 21 - May 21) You need to control your temper and deal with the situation rationally. Romance will develop through work. Deception is apparent. Spend some time with people who can shed some light on your personal situation. Your lucky day this week will be Tuesday.

**GEMINI** (May 22 - June 21) Losses are evident. Focus your efforts on details, and keep to yourself in order to finish your work. Advancement can be yours if you are assertive in your approach. You have been going through a period of change that has caused problems for you with your loved ones. Your lucky day this week will be Saturday.

**CANCER** (June 22 - July 22) Changes in your residence will be favorable in the long haul. Opportunities will develop through those you encounter while attending organizational events. Try to find another time to present work or ideas this week. Use discretion in your dealings and refrain from making verbal promises of any kind. Your lucky day this week will be Thursday.

**LEO** (July 23 - Aug 22) Catch up on overdue paperwork. Problems with skin, bones, or teeth may mess up your schedule. Talk to people who can give you important knowledge. Hidden assets can be doubled if you play your cards correctly. Your lucky day this week will be Friday.

**VIRGO** (Aug. 23 - Sept. 23) Be careful not to get roped into uncertain joint financial deals. It will do you some good. You can make new friends if you get involved in group activities. Sudden romantic infatuations could lead to a significant and prosperous connection. Your lucky day this week will be Wednesday.

**LIBRA** (Sept. 24 - Oct. 23) Try to enlist the support of your co-workers first. You may as well work on projects that will allow you to make progress. Listen, but don't make any rash decisions. Your boss won't be too thrilled if you leave things unfinished. Your lucky day this week will be Tuesday.

**SCORPIO** (Oct. 24 - Nov. 22) You need to keep busy doing things that you both enjoy. Stress coupled with diet will add to stomach problems. Your need to be in a leadership position will help you surpass any rivals you might encounter. Rest and relaxation may be required; minor health problems will prevail if you don't watch your diet. Your lucky day this week will be Thursday.

**SAGITTARIUS** (Nov. 23 - Dec. 21) Health problems may prevail if you don't take care of them immediately. Opportunities for new and exciting relationships will be yours if you get out and join groups. Nagging has never been something that you could tolerate, and it's once again driving you into a lonely state of affairs. Throw yourself into your work. Your lucky day this week will be Friday.

**CAPRICORN** (Dec 22 - Jan. 20) Get involved in fitness programs that will bring you in contact with new friends. Don't blow situations out of proportion. You will have the discipline and fortitude to accomplish what you want this week. Your personal life is going through a state of confusion. Your lucky day this week will be Thursday.

**AQUARIUS** (Jan. 21 - Feb. 19) You will have a childlike approach this week, big hearted and full of spunk. You can make a difference if you take a position of leadership. Overindulgence will be a problem if you are out in a social setting. Your lucky day this week will be Sunday.

**PISCES** (Feb. 20 - Mar. 20) Don't try to hide your true feelings from your mate. You can make major accomplishments while on short trips. Opportunities to get together with people in powerful positions could help you get ahead. Your lucky day this week will be Monday.

### Tick Warning Scam

*I hate it when people forward bogus warnings, and I have even done it myself a couple times unintentionally... but this one is real, and it's important. So please send this warning to everyone on your e-mail list.*

*If someone comes to your front door saying they are checking for ticks due to the warm weather and asks you to take your clothes off and dance around with your arms up.*

**DO NOT DO IT!! THIS IS A SCAM!!**

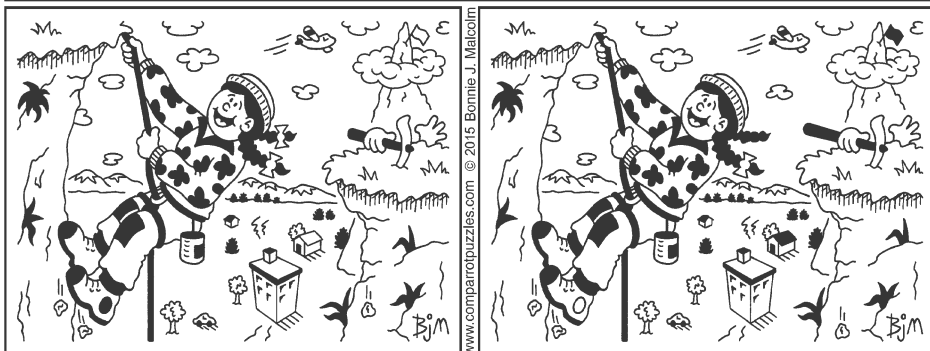

*They only want to see you in your birthday suit. I wish I'd gotten this yesterday. I feel so stupid.*
