

Teacher Observation Analysis

Strengths	
What performance indicators are our teachers' strengths? Are there opportunities for celebration we have not yet recognized?	
Growth Opportunities	
Which performance indicators are the ones where most or all of our teachers are struggling? What actions have we taken thus far to provide support in these areas?	
Years of Experience	
Are there trends in the area(s) where our new teachers are strong or are struggling? How can we continue to grow our more experienced teachers? What are their greatest needs?	
Grade Levels	
Where is each grade-level team strong? What are their targets? How can we leverage existing strengths to meet these needs?	
Content Areas	
Where is each content-area team strong? What are their targets? How can we leverage existing strengths to meet these needs?
