## Comparison Graph Explanation

This report contains graphs displaying the score for a specific class entry in relation to the full range of results and the median score for a class.

A sample graph is provided below.

Level:

Where only a purple line exists, then your score is also the median score.  
To protect your privacy, graphs are not provided where a class has a small number of entries.

## Class Entry

7870 - The Standard Meat Co -Smokey BBQ Boneless Pork Ribs

## Class Description

CVF003 - Convenience Main Meals (Convenience Food/Main Meals)

## Result

Bronze

## Result Detail

Appearance	16.67
Fit for purpose	15.67
Flavour	31.67
Aroma	15.33
Total	79.33
Comment	Pork quality and portion very good. BBQ sauce good, but room to refine the flavours, but overall a very tasty dish.
