## A Word From Our Founder...

Thursday April 28th, Bill Barr and I are scheduled to arrive in Haiti. God has divinely provided 3 qualified candidates to re-implement our stewardship training and micro-loan endeavors. Pray that the Holy Spirit will guide our activities and decisions in establishing a trustworthy, talented, Godly Team to implement and administer our HFC ministry in this nation. The Haitians at the bottom of the economic ladder, are in an unbelievable, impoverished, position. With Voodooism an accepted practice among many Christians; our Biblical Principled Stewardship Training is severely needed. This HFC Haiti Team will only be giving income generation micro-loans, to those Christians, who are totally committed to the Lord and not involved in Voodooism. We are scheduled to return May 6th, and crave your prayer covering.

## Please Pray

### Pastor Butta Needs A Van

This church, in Pakistan, has 6 families in need of weekly transportation to and from church, and we'd like to help them fill this need. The cost of a taxi (to and from church) is a huge monetary burden, and we'd hate to see it keep them from hearing the Gospel and maturing in Christ. Therefore, our request is two-fold: Please let us know if you would like to partner with this church in purchasing a \$4,000, 2002 - 10 passenger Suzuki van to transport these families, and pray that Our Father will meet this need. Thank you!

## Easter Massacre

You may, or may not, have (some news networks didn't cover the story) read the story that came through Easter weekend about a Taliban initiated suicide blast that killed at least 74 people and injured more than 300 in Lahore, Pakistan. This act of cowardly terror was committed against our brothers and sisters (fellow believers) who were celebrating an Easter afternoon in a popular children's playground park. This is a staggering reminder of what many believers around the world face daily, while we sit in comfort and see it happen on television or read about it in a news article. This is not to criticize us; its to remind us to PRAY – for both the persecuted and the persecutors. Prayer is our most powerful weapon – why not use it!

## Success Stories

Amir runs a small general store in his area, and reports that after receiving Biblical Stewardship Training and a microloan from HFC his income has increased 40%. He attends his church faithfully and tithes each month. Because his store is in a mixed, Christian / Muslim community, he is able to share his faith in Christ. Your contributions helped make this happen!

Kiran is the mothers of four children. She works to support them with her business as a beautician and by renting bridal gowns. Her business grew by 10% after receiving Biblical Stewardship Training and a microloan from HFC. She does business with many Muslim ladies, and is hoping to have the ability to speak to them about Christ!

## Christian Schools in a Muslim Nation

### A Light in the Darkness

HFC is working with churches running Christians schools in Pakistan. The work of HFC PK is

directly tied to the churches there, and therefore we want to be able to help them in any way we can. Doing so allows us to ease some of the burdens of our brothers and sisters in this part of the world.

We were able to supply one school with furniture and equipment, because of a generous gift from a donor in Colorado (Thank you!). These children had been sitting on the floor during the school day before the furniture arrived, but now they have tables and chairs! This school presently has about 20% of the students coming from Muslim families. What a wonderful evangelism opportunity the school staff has! As the school improves, more Muslim families will decide to send their children to it, so we would like to ask "Prayer Intercessors" to pray for the effectiveness and safety of these schools and their staff and for the churches operating these schools, as this is a huge evangelism opportunity, but also a financial and human resource burden for them.

There is another church operated school, that HFC is closely connected to, that is in need of stationary and books for the school, and has reached out to us for help. If you feel the Lord leading you, your contribution to this cause would be greatly appreciated. This school offers FREE education to children; in a land of corrupt leaders, basic childhood education is expensive, this church provided education is a huge blessing to the families whose children attend. The doors of the school are open to both Christian and Muslim children, which gives them an amazing opportunity to be a light and witness in this dark place. What a blessing it would be to them to have this need provided.

One of the requirements for receiving a microloan from HFC is to educate ALL of the children in the family: boys AND girls. In this part of the world education for women is not considered a necessity, but we've made it one. Receiving an education gives these girls a sense of worth and dignity, which is exactly how our Father in heaven sees them! We are seeking to establish a following generation of well-educated believers – men and women alike - who can share the Gospel within their country. Thank you for your help in accomplishing this goal!

## Meeting Needs In Practical Ways

This field of wheat - that will soon be ready for harvest - is just another way HFC is helping believers in Pakistan. We own the field, and use it for share-cropping. The harvested wheat supports the families AND HFC PK! One day we hope to be able to build on the the land, but until that time comes we are working to be faithful stewards of the provisions God has given us.

We appreciate your prayers as we seek the Lord's will for the future of this property.

## Your Contribution Makes A Difference!

There are a number of ways to be involved in Harvest Field Corners. We are always in need of people covering us in prayer, and volunteering their time to assist in the future development of HFC. We also welcome financial contributions. If this is how you would like to help, you may do so by going to our website, selecting "participate", then "donate", or you may mail a check made payable to "Harvest Field Corners" to our address to the left.
