We wish you a merry Latin	2 nd Trumpet		2
Winds of a new day	2 nd clarinet		1

Some of this music is likely in the hands of band members who have left the program, if you know of musicians from the past who may have these pieces, please encourage them to take a look in their materials.

Thank you to all the players who turn in music even sometimes after months of it hiding away behind another part or in another folder...it makes it much easier to hand out charts in the future if we have most (preferably all) the parts in order 😊
