YOU as "Ms. Scarlet"

WAS IT MISS SCARLET IN THE BALLROOM WITH THE CANDLESTICK?  
*Someone smashed the Million-Dollar Cupcake and we've narrowed it down to just a few suspects. Who would do such a thing? And why?*

*Miss Scarlet's Wedding Cakes have really taken off since perfecting the signature frosting rose on the top on her cakes, but often wonders, "who's my competition now?"*

*This former ballroom dancer turned baker often wears the color red and loves her red roses, of course. She waltzes her way into the hearts of every bride and groom she meets.*
