

## Email Sabotage to Prevent Research Dissemination

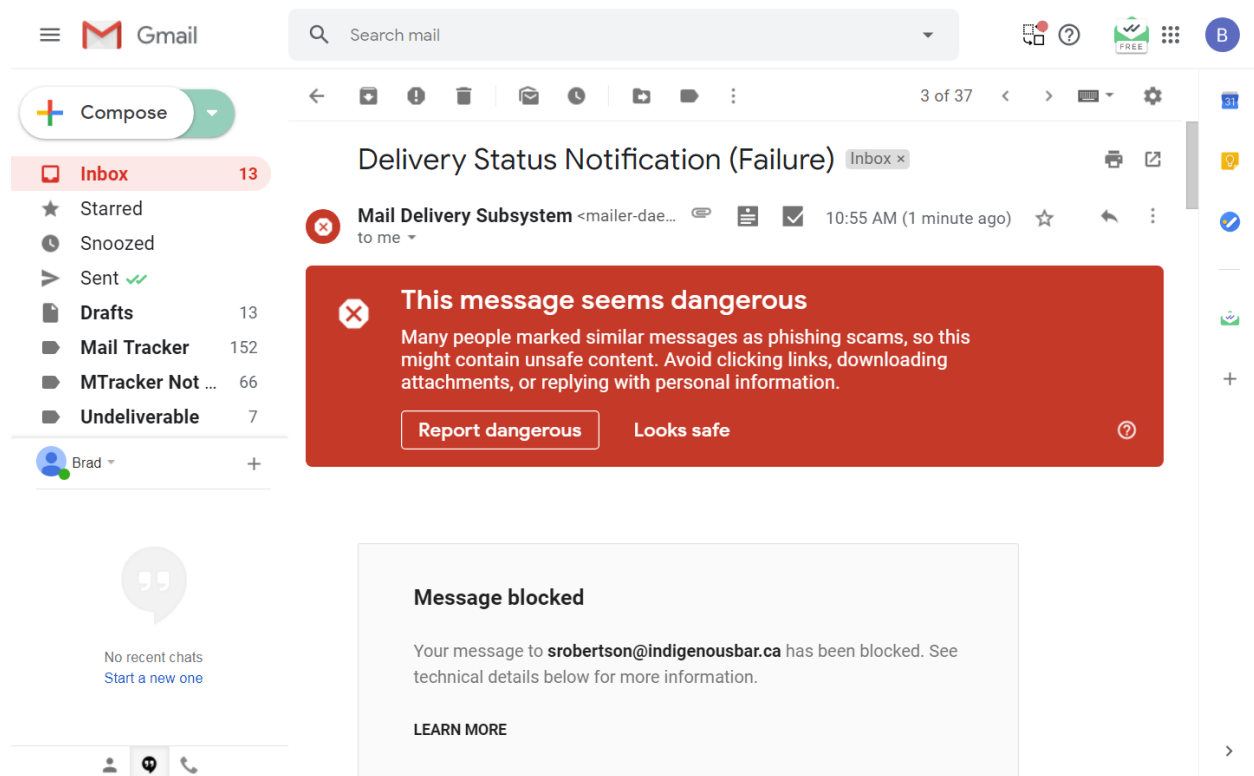

On May 2<sup>nd</sup>, 2019 the founder of the Canadian Governance Reform Council, Brad Kempo Esq., began to circulate his findings to First Nations organizations; and was immediately prevented by the security services mandated to protect non-democratic interests. The first set of emails sent were blocked because they are accurate.

**The Indigenous Bar Association in Canada, Scott Robertson, President and Drew Lanfond, Vice-President**

c.c. William Morin B.FA, B.Ed., M.A.; the leader of the First Peoples National Party of Canada from 2010 to 2013.

**Assembly of First Nations, National Chief Perry Bellegarde**

c.c. William Morin B.FA, B.Ed., M.A.; the leader of the First Peoples National Party of Canada from 2010 to 2013.

The screenshot shows a Gmail inbox with a message titled "Delivery Status Notification (Failure)" from "Mail Delivery Subsystem". A prominent red warning box states: "This message seems dangerous. Many people marked similar messages as phishing scams, so this might contain unsafe content. Avoid clicking links, downloading attachments, or replying with personal information." Below the warning are buttons for "Report dangerous" and "Looks safe". At the bottom of the email view, a "Message blocked" notification states: "Your message to srobertson@indigenousbar.ca has been blocked. See technical details below for more information." and includes a "LEARN MORE" link.
