Four students who are pursuing their Doctors of Education in Community College Leadership from the Roueche Graduate Center at National American University have each received the National American University Foundation *Dr. Lonnie Howard Community College Leadership Scholarship* for Summer 2018.

Dr. Howard, the President of Lamar Institute of Technology, offered the scholarship in memory of Dr. Suanne Davis Roueche, who passed away in late 2017. Dr. Howard received his doctorate at the University of Texas, studying under Dr. John and Suanne Roueche.

“I owe so much to John and Suanne,” said Dr. Howard. “I count it as a great joy to pay it forward with four educational scholarships in Suanne’s memory. She has given so much to so many.”

Dr. Howard overcame humble beginnings with optimism. “My mother always said, ‘It doesn’t matter where you start . . . The important thing is where you finish.’”

Recipients of the Dr. Lonnie Howard Community College Leadership Scholarship, in memory of Dr. Suanne Davis Roueche, for Summer 2018 are **Angelica Gomez-Johnson, Jacquelyn Messinger, Chantel Reynolds** and **Kathryn Statos**.

NAU’s Roueche Graduate Center’s Doctor of Education in Community College Leadership is designed for senior administrators, faculty, and other aspiring leaders who are preparing for leadership positions in community and technical colleges.
