Cbse PHYSICS

New Pattern

Focus On Mc'q Like IIT
MAINS AND NEET
PHYSICS EXAM

Central Board of Secondary Education (CBSE) has introduced some changes in the examination pattern for class 12 Physics in the academic session 2019-20. As per the new exam pattern, CBSE has given more weight to the school-based/ internal assessment. The major change will be observed in the questions paper format in the board exam 2020. Question papers will have several objective type questions.

CBSE changed the examination pattern with an aim to

**discourage students from rote learning
develop analytical skills and reasoning abilities
among students**

**produce better results and improve the academic
quality of institutions**

**It Means those Students preparing for NEET /IIT
must have an extra edge over CBSE physics paper
so clear your physics concepts thoroughly and go
ahead with Number of physics questions on daily
basis still if you have any doubts in physics don't
hesitate to take professional help ..call Kumar**
