physics is the subject in which you cant only rely on mug up but rely on concepts.

hire a teacher who is reliable and tested by many people and check his past result then only thinking about hiring that person.

Focus on each physics topic carefully and think about their concepts and ask a question to your teacher even a silly one which is your doubt.

**If You are in class 11 or 12 then start thinking about your future and opt for Medical NEET Or Engineering Through IIT . Focus on physics concepts through good textbook like H C VERMA Don't Rely on videos which are mimicry based that does not solve your purpose and wasted lots of time. Come to Kumar sir he will make you perfect and teach you as per your requirement prepare the physics assignment as per your need not a general assignment of physics. he will work on your weakness and you see your performance improve in a few days time.**
