**Crack NEET/IIT
Physics**

Physics Is the only subject which will make you at par in NEET/IIT.

Then wait for what start study physics at least 3 hours a day, put yourself into thinking chamber and think about physics concepts how and what can be done to improve this physics question in what way that time of execution should be less.

Use good books like h c Verma and Irodov to practice numerical and understand concepts.

It should be 100 % clear to each student survival of your life is not possible without studying so don't cheat your parents don't fight with your well-wishers, the only study will make you perfect in life to reach the top of the world. When we are talking about physics mentor, then choose a physics tutor in such a way that he should be well versed with physics concept and tried and tested by the students. Don't go for just tom and jerry type of tutor for the sake of your parent's satisfaction.
