**APRIL ATTEMPT
FOR JEE**

**Still Feel Difficulty In
Physics Concepts**

Contact Kumar Sir

**Focus On Mc'q Like IIT MAINS
AND NEET PHYSICS EXAM**

IIT JEE MAINS 2020 RESULT for first Jan Attempt is out, some students appeared for this exam scored very good percentile more than 98% but some do not achieve that much of result and they have one more chance in April Jee exam.

When we appear for JEE exam AND WANTED TO GET ADMISSION IN DELHI UNDER 85 % QUOTE then at least two subjects should be good to get good percentile. physics is the main criterion to clear JEE EXAM. If you are preparing for JEE For sure shot selection clear all physics doubts with the basic level then proceed further fifty per cent questions in JEE MAINS are based on basic concepts and rest of the question is the mixture of two physics topic concepts.

For the April attempt start preparing from today first solve all JAN ATTEMPT Paper and wherever one feels a problem in a particular question revise that chapter once again from the scratch from the textbook don't waste your time on searching on youtube or internet and mugging up. one can not mug up physics through the internet, hire a good physics experienced teacher to solve your doubts. still feel any problem contact Kumar physics classes and take the class as per your requirement.
