**RE: REFERENCE LETTER, SUDIP NAIR**

To whom it may concern:

I am pleased to write this letter of reference on behalf of Sudip Nair, a student in the International Business Management Program at Fanshawe College.

I have known Mr. Nair for 4 months in my capacity as Professor of English and Communications at Fanshawe College. I instructed Mr. Nair in COMM 6019 (Advanced Professional Communications). This particular course focuses on a number of communication tools and strategies to advance and refine students' communication abilities within a business environment. Work is performed individually and in teams, and the course is conducted through a blended/hybrid delivery (in-class and online). Based on his grade, his participation, and his demonstrated strengths, I rate Mr. Nair's performance in my class as "Distinguished" (A+).

During his time in my class, Mr. Nair consistently demonstrated a number of strengths that would be an asset to any organization. His attention to detail was a valuable asset on a number of class projects, and he demonstrated strong team and time management skills. Mr. Nair's dedication to his work and his professional conduct were admired by his classmates and his contributions to online and in-class discussions were consistently constructive and indicative of his sound marketing and business intelligence.

In conclusion, I highly recommend Sudip Nair. Based on his performance in my class, I feel confident that he will be a valuable asset to any organization.

Sincerely,

Kari Townsend, Professor, English and Communications
