

Winners Circle Tactical Solutions, LLC (WCTS) is a community oriented company with an emphasis in providing socially conscious training to law enforcement and in creating cultural competency with police and members of the community for a better relationship.

Because we are at a time when tensions have reached dangerous levels and the gap between the two are farthest than ever, this training is critical for the well being of both law enforcement and the community.

As part of our comprehensive training programs, WCTS includes joint educational and training opportunities for law enforcement and the community through exciting and engaging scenario-based situations.

The programs are informative and create team building opportunities between the community and first responders.

Our Programs Include:

- Community Engagement “Worthy of Respect”
- Walk-A-Mile In My Shoes
- Crisis Intervention Training
- Psychological Tactics (PSYTAC – self-resiliency) Training
- Active Shooter Training
- Tactical Medic (TacMed) Training
- Cognitive Training
