

# FIRST IMPRESSIONS

We are looking for fun & outgoing people for our First Impressions Team! Be part of a team that directly impacts the kingdom of God! Options include Guest Services, Front door greeters, Ushering, Gathering Grounds, and Communion Prep and Clean-up, Worship Center Clean-up, Burgers and Dogs Team and our new Spruce Up Team!

Did you know that, according to Barna Research, 7 out of 10 first time visitors decide if they are coming back before they even sit down in the worship center?

## COMMUNION PREP

Preparation of communion for upcoming Sunday services in this behind the scenes opportunity. This occurs your choice of Thursday, Friday, or Saturday. Trays are filled with bread and juice and stacked in the refrigerator.

## COMMUNION CLEAN-UP

Clean-up communion trays after service, including washing trays, disposing of cups and bread and stacking for the following week.

## WORSHIP CENTER CLEAN-UP

This is a post worship service opportunity. Spend a few minutes gathering the used communion cups, discarded bulletins and other items left in the worship center after Sunday service. Replenish chair racks with communication cards. This is a once a month serve.

## GREETERS

You don't get a second chance to make a good first impression! An important component of First Impressions is setting a welcoming atmosphere on our campus. We need front door greeters prior to each service. This is a once a month serve.

## USHERS

Serving as an usher is at the core of what we do. This First Impressions opportunity extends beyond greeting guests with a smile. We help with any needs they may have. This is a once a month serve and requires being in place the entire service.

## GUEST SERVICES

Welcome and greet all guests and attendees with a smile, energy and warmth as they arrive at Guest Services. We help First time Guests and attendees by being ready to answer questions for them. This is a great opportunity to meet people and be a part of Connect, Grow, Serve.

## GATHERING GROUNDS

Come join the Gathering Grounds team. We are looking for willing hands to man our coffee and snack area. This requires making coffee and serving our guests with a welcoming smile. You will also be responsible for clean-up and closing of the Gathering Grounds. We look forward to serving alongside you!

## BURGERS AND DOGS TEAM

Join the awesome, dynamic Burgers and Dogs team. Opportunities include: early set-up of the plaza, grill masters, cashier, food servers, table bussers, clean-up/break-down help. This is a once a month serve.

## NEW OPPORTUNITY! SPRUCE UP TEAM

FCC is a community of many different groups that meet everyday of the week. This new team will populate the campus once a month on a Saturday. You will take care of the details that staff does not have time to address during their workweek. Tasks will include dusting the WC and other areas as needed, washing windows, hunting for cobwebs, and any other tasks that we identify. This will be a great time to get to know other people in our FCC family while contributing a much-needed service.
