

ZSC ACADEMY

Leading a healthy lifestyle is easier when you enjoy sports. This is the reason we established ZSC Academy – so that Zayed Sports City can share its love and expertise in sports with a community that is eager to participate.

In Fundamental stages children are engaged in sport to support healthy habits at a young age, while Developmental programmes encourage consistency in play and an understanding of competition. High Performance stages help budding talent achieve higher goals, and adult programmes make lifelong sport something everyone can enjoy.
