The website www.datacitylab.com (hereinafter the website) is published by DataCity Lab, registered with the Barcelona Mercantile Register under number B67424564, whose registered office is at 321 Carrer Lull Barcelona.

INTELLECTUAL PROPERTY

The website and all its component elements (design, texts, photographs, illustrations, computer programs, etc.) are the property of DataCity Lab or its technical service providers. All rights of use are reserved. In accordance with article L.122-4 of the Intellectual Property Code, any representation or reproduction without express authorization would be unlawful and would constitute a crime.

LIABILITY

DataCity Lab, its members and directors shall in no case be liable for any damages whatsoever that a connection to the website and/or its use may cause the user acting under his sole responsibility. The website is merely informative. The web portals to which the user may access through hyper-linked links are independent of DataCity Lab S.L and operated under the sole responsibility of their author. In relation to these links, DataCity Lab S.L makes no commitment or statement about the above and therefore disclaims any liability that may arise from them.

DataCity Lab ensures the protection of your personal details. Being responsible for the data processing, DataCity Lab guarantees that its activity is in accordance with the stipulations laid out in Regulation (EU) 2016/679 [European Parliament and Council] dated 27 April 2016 relative to the protection of individuals with specific regard to the processing of personal details and the free movement of such data, thereby superseding Directive 95/46/EC.

Your personal data is limited to the necessary requirements relative to the purposes for which they are to be processed. Accordingly, DataCity Lab processes your personal data for the following three purposes:

- When you register for an event that DataCity Lab organizes,
- When you download a content that DataCity Lab publishes,
- When you answer a survey, apply to one of our programs or engage in other campaigns (e.g. newsletter etc.)

This information may include your name, surname, phone, company and job position, email, country of residence and topics of interests.

DataCity Lab only communicates your personal data to authorized and determined recipients. These recipients are: DataCity Lab's administrative staff as well as our IT Service provider. All these people are contractually bound with DataCity Lab S.L and must comply with the provisions of Regulation (UE) 2016/679.

DataCity Lab does not transfer your data to States outside the European Union.

In accordance with the storage limitation principle, DataCity Lab store your data until you unsubscribe from newsletter or other types of information channel.

You have the right to request from DataCity Lab the access to and rectification or erasure of personal data and where appropriate, the right to data portability. You also have the right to ask for restriction of data processing or to object to said data processing.

If you have given us your consent for processing of your personal data, you can also withdraw it at any time.

In order to exercise the rights mentioned above, you can contact us at any time by posting your request to the following address: DataCity Lab, Carrer Lull, 321 - 08019 BARCELONA (Spain) or by e-mail: judith.l@datacitylab.com

In order to process your request, please provide us a copy of a valid identity document.

We herewith inform you that you have the right to lodge a complaint with the Spanish Agency for Data Protection Commission.
