

Weekly tasks - week commencing 15th of June

I'm still super impressed with all of the hard work you're doing at home. Make sure to look on the newsletter for this week's WOW learners, it was very difficult to choose just 2 because you are all doing so brilliantly.

As per last week - you can do these tasks in any order - or at any time that suits you - but in case you are worried about how to arrange your day - it could look something like this:

| | |
|---------------------------------------|---------|
| Task | 1 hour |
| Reading eggs, spelling shed or sumdog | 30 mins |
| Reading | 20 mins |

Not necessarily in that order and make sure to take breaks - don't do it all at once!

Your week might look something like this:

| | | | |
|------------------|---------------|--------------------------------|------------------|
| Monday | Task 1 | Sum dog | Read to an adult |
| Tuesday | Task 2 | Reading eggs | Read to an adult |
| Wednesday | Task 5 (zoom) | Spelling shed | Read to an adult |
| Thursday | Task 3 | Sum dog | Read to an adult |
| Friday | Task 4 | Spelling shed - spelling words | Read to an adult |

If you manage to do all 3 of those things then you will be doing an amazing job, if you only manage 1 or 2 then don't worry - you might choose to do more than 1 of the tasks set on one day and then just do online work the next!

It has a range of lessons such as phonics, English, maths and history/geography - I'd love to see any work you complete!

- Finally - don't worry! I am here to support you however I can. Also remember that play is still integral part of children's development - embrace it!

Task 1 - Science

At school the children went out for a walk to see how many butterflies they could identify. We only managed to find one type - the meadow brown!

Can you go for lots of walks, or sit in your garden, and see how many varieties you can spot? There is an identification sheet on the blog.

Then have a go at writing a list of all the butterflies you spot. Try using bullet points.
