

Weekly tasks - week commencing 29th of June

Wowee! What amazing bubbles some of you managed to make! It looks like you were more successful at home - our bubble mixture only went up to our ankles. Perhaps we will try again next week and take some advice from you.

As per last week - you can do these tasks in any order - or at any time that suits you - but in case you are worried about how to arrange your day - it could look something like this:

Task	1 hour
Reading eggs, spelling shed or sumdog	30 mins
Reading	20 mins

Not necessarily in that order and make sure to take breaks - don't do it all at once!

Reminders/other information

- I just want to remind you about oxford owls - they have a wealth a reading books for you to read online, as does reading eggs.
- There will be tasks set on reading eggs, spelling shed and sumdog.
 - You can email me with questions or concerns.
- If in reception - you can upload videos to tapestry (I know they can be a pain to send via email!)
- There will now be just 1 session a week on zoom for children in reception and year 1 who are not attending school. At the moment this will be on Wednesday's at 1pm.
 - I will upload a daily video of me reading a story.

- If you would like any extra work to do at home you could have a look at the following website:

<https://www.thenational.academy/online-classroom>

It has a range of lessons such as phonics, English, maths and history/geography - I'd love to see any work you complete!

- Finally - don't worry! I am here to support you however I can. Also remember that play is still integral part of children's development - embrace it!

Task 1 - What's in a name?

In Father Matthew's collective worship (link below) he discussed the meaning behind different names, particularly focussing on John the Baptist. Do you know what your name means? Look it up and make a poster with your name on it and the meaning of your name. You could also add some pictures to your poster to help explain what your name means.

Reception

Year 1

N/A

Task 2 - Bubble shapes

At school we wondered if we could make a bubble in a different shape and learnt the names of some 3d shapes along the way. Have a go at making your own bubble wand in different shapes and see what shape your bubble is, can you make a star? A heart? We used pipe cleaners to make ours.....I won't tell you what we discovered!

Reception

Year 1

You could have a go at writing up your experiment.

Task 3 - Bubbles

In maths we have started to try and learn our doubles to 20. A fun way to record your doubles is to use paint - perhaps you could have a go at the following craft and write down the doubles fact to go with it (double 1 is 2).

Reception

Year 1

We are also going to listen to this song!

<https://www.youtube.com/watch?v=0QNDvwt8CTA>

Task 4 - PE

Have a go at the next lesson from Jasmine active.

The website address is: home.jasmineactive.com

Parent email: parent@newbottle-1.com

Password: newbottle

Reception

Year 1

N/A

Task 5 - zoom

Monday at 1pm - this is for all of Reception and Year 1 who are not attending school - details and invite have been emailed.

Your week might look something like this:

Monday	Task 5 (zoom)	Sum dog	Read to an adult
Tuesday	Task 1	Reading eggs	Read to an adult
Wednesday	Task 2	Spelling shed	Read to an adult
Thursday	Task 3	Sum dog	Read to an adult
Friday	Task 4	Spelling shed - spelling words	Read to an adult

If you manage to do all 3 of those things then you will be doing an amazing job, if you only manage 1 or 2 then don't worry - you might choose to do more than 1 of the tasks set on one day and then just do online work the next!
