Solos Authors!

We have Solos authors now! Thirteen Solos speakers gathered April 15-19 in a classroom at Kahule village to write some books. One of our Wycliffe colleagues who specializes in literacy came out to run a week-long Writer's Workshop there.

Four ladies attended the workshop. Three of them are interested in doing Bible translation.

Some of the highlights included four new people signing up to join the translation team, very fruitful alphabet and spelling discussions, and BOOKS! We now have five Solos books. One is a totally new story book authored by the course participants, three are translated from literacy book templates, and one is a little Solos Alphabet book.

Praise God for this great start toward a growing body of Solos literature! I was thrilled at the sense of excitement among these first-time authors as they wrote and translated into their own language.

...and the
blood of
Jesus Christ
his Son
cleanseth us
from all sin.

I John 1:8

Prayer Corner

Praises:

- A successful Writer's Workshop
- Safety in our travels
- New translation team members
- A washing machine! (see page 2)
- Our faithful supporters who pray and give so we can be here

Requests:

- Translator Training Course coming up May 29-July 4. Pray for the staff (including us) and the Solos team.
- Health for our whole family
- Wisdom in forming a Solos Language Committee

Amariah and Lawrance talking it over.

Bible Translators in Partnership with COGH World Mission Dept. & Wycliffe Bible Translators

Christy's Page

“You stink!” are words I have often said to Larry as he walked past me. He knew that I meant his clothes smelled badly. It's very hard to get clothes clean when washing them by hand, especially pants or other thick clothing. It would take me hours. I could scrub and scrub and still I couldn't get them clean to my satisfaction.

That's how it went until recently. With the help of a nice tax return we were able to purchase a washing machine. Our machine is a twin tub washer small enough to run on our 650w generator. Even though it's not automatic and won't do everything for me, it's been a tremendous help these past few weeks. It cuts down on the time it takes to do the laundry and gets it cleaner!

As I've been thinking about my new machine, I've thought of how it can relate to our spiritual lives. We, in our sinful state, are “dirty and stink”. We can try to clean up our lives and do better, but if we try to do it ourselves it just won't work. We have to let Jesus, the Great Cleanser, wash us and he can cleanse us from all unrighteousness and make us clean and whole. My machine can in no way compare to Jesus, but it does remind me to depend on His Righteousness and not my own.

I love my boys!

Amaziah helping Daddy build a shelf.

The finished product. Larry made two others like this for my kitchen. They help keep me organized.

Financial and most other matters should be handled through:
