## Translation!

Bible Translation has started for the 10,000 or so Solos speaking people. We have wanted to say that for so long. Many people have worked, prayed, and dreamed of this. Now we're at the beginning!

For six weeks from late May to early July, nine Solos men and women

The Solos team (along with a mentor) at TTC1

participated in the Translator's Training Course (TTC1). They went home from the course equipped to actually do Bible translation in the village.

After a week off, which we all needed, eight Solos translators met on the third Monday in July to lay out the immediate task of Joshua 1-12. We formed two groups and divided up the work between them. Then Tuesday through Friday they translated. It is a thrill to watch Bible translation drafting happening in two Solos villages.

As for me, I will always have hope; I will praise you more and more.

Psalm 71:14

During the Translator Training Course I found myself very busy. The job of Kitchen Manager fell to me as there was no one else to fill the role. Even though it was a lot of work I enjoyed it for the most part. Most of my time was not spent in the kitchen, but rather shopping for food and keeping the paperwork straightened out. These three awesome cooks made delicious meals and kept everyone a bit happier.

## My sister's visit!

Sabra, my sister, came to visit with us for three weeks. We had a great time hanging out and catching up. We also enjoyed a hike through the swamp and a couple canoe excursions.

## Meet Baby Jerika

Our closest neighbors, who we lived with for a while, recently added this beautiful baby girl to their family. Before she was born we were given the honor of naming the child. "What if they don't like the name we pick?" we worried.

We decided to write down a few boy and girl names and let them choose from them. They chose my #1 girl name!
