Being Thankful

God is obviously the first one who should receive our thanks and praise. But we are also thankful for and grateful to His family. As we've connected with churches and partners we have been overwhelmed by God's care for us through our brothers and sisters in the faith.

Psalm 107 is all about the mercy and salvation of God. This time of year as we celebrate Thanksgiving and in a short while, Christmas, we are so thankful for God's great gift of salvation and His calling on all of us to serve in His kingdom. We are especially blessed that this calling takes us to another part of the world to do a specialized job.

O give thanks
unto the Lord,
for he is good:
for his mercy
endureth for
ever.

Psalm 107:1
KJV

Prayer Corner

Praises:

- Renewal at the Wycliffe Connection in October in Orlando
- Great re-connections with partners and churches in many places
- Safety in many miles of travel
- Nice highways to drive on!
- Good times re-uniting with family, with more to come

Requests:

- The Independence process in Bougainville
- Wisdom for our long-term plans in Bougainville and the Solos program
- That Christy's health issues would be addressed well
- That we and our co-owners would be able to wisely address the issues with our house in Kansas City
- Pray for new and renewing partners in the work of Bible Translation in Papua New Guinea

We are also thankful to all of you who have stood by us and behind us on this journey—some for many years now, and a few from just weeks ago as we've had a chance to meet and share about the Kingdom work we are involved in.

Thank You!

During one of our more local travels, we got a chance to visit two different three-state corner markers in one day! KS-MO-OK and OK-MO-AR.

Money Matters

Wycliffe and World Missions both require that we have pledges for our full budget before we are released to return to PNG. Our travels and visits enable us to see many of you, and we've well started a list of who plans to partner for the next 5-year cycle.

There are a number of you we haven't seen yet. If you have been partnering with us, and plan to continue in prayer or finances, could you please let us or the World Missions office know?

A battleship, a B-52, and a submarine! We took advantage of half a day in Mobile, AL to visit with a bit of history.
