## Christmas Edition

### Merry Christmas!

It's Christmas. It's cold. Decorations and lights are all around. We will be with family this year. We are blessed.

In the middle of all the bustle of the season, we recall the humble and low-key first Christmas. The greatest event in history happened in a stable, with invitations only to the local shepherds. But what an event it was!

God became a human. He came to live a life of service and die a death of sacrifice. He did all this because He loves us.

This is definitely a time to celebrate! Jesus was born, the Christ, the Messiah! He came to save His people from sin. So give gifts, feast, sing praises, decorate, and spread cheer — a Savior is born!

And they shall call his name Emmanuel, which being interpreted is, God with us.

Matthew  
1:23

## Money Matters

We are about 1/3 of the way toward our monthly budget goal! We are so grateful for those of you who have signed on to partner with us for our next four-year term.

A number of people have only pledged support for one year (12 months). If that is you, and you intend to partner with us for the full four years PLEASE let us know! This is the fastest way to multiply your gift. We will not be released to return to the field until we have 100% support pledged for the full four years.

Have a blessed Christmas!
