

# Holiday Gift Wishlist

For over 30 years, Sojourner has been providing safety and support to women and children victimized by domestic violence. The holiday season can be especially difficult for the families we serve. Your gifts provide joy and hope of better days to come. **Call 952-351-4062 to learn more or to set up an appointment to drop-off gifts. Gifts would be most helpful if donated by December 13th. Also, financial gifts in any amount help us year-round.** Thank you so much for your generosity! Learn more about us at [www.sojournerproject.org](http://www.sojournerproject.org)  
Thank you for your support!
