

New Apprenticeship Opportunities in Textile Fabrication

Employers, if you are looking to take on an apprentice, you may be eligible for up to \$4000 incentive and access to mentoring support

The following trades are now back at North Metropolitan TAFE in WA:

- Certificate III in Manufactured Textile Products - MST30216 (starts 1st April, 2019 at Balga Campus)
- Certificate III in Automotive and Marine Trimming Technology - AUR32316 (Starts 29th April 2019 at Balga Campus)

Get ready for 2019 enrolments in Term 1 or 2 by enrolling your apprentice/s now.

Only have part time hours?

Why not consider sharing your apprentice with another business through a share apprenticeship program?

Support to recruit and sign up your apprentice/s is available via Apprenticeship Support Australia.

Register your interest in taking on an apprentice now by contacting:
