- ▶ **Water absorbent nylon pile** - ClassicPlus is made from high twist nylon yarn that is permanently bonded to the rubber backing.
- ▶ **Non-slip 100% nitrile rubber backing** - with safety cleats to resist slipping
- ▶ **Static electricity dissipative nylon** - ClassicPlus has thousands of carbon filaments every metre to safely and harmlessly dissipate static. Repeated washing does not diminish the effectiveness of 'StaticStopper', it is permanently built in, regular cleaning will instead ensure it remains effective.
- ▶ **Launderable for ease of cleaning** - ClassicPlus can be safely machine washed in water not exceeding 40°C and is easy to maintain with regular vacuuming. Regular cleaning is important to prolong mat life and maintain effectiveness and appearance.
- ▶ **Long life reinforced rubber edges** - ClassicPlus has reinforced edges to add strength and keep your mat laying flat. Mat edges are 15mm.
- ▶ **Custom sizes available** - Custom sizes can be specially manufactured for you if we don't have the size you need in our standard sizes. Maximum size is 1.8 x 7m.
- ▶ **Standard Sizes:** 900x600mm, 900x1200mm, 900x1500mm, 900x2400mm, 900x3000mm, 1200x1800mm
