

A close-up photograph of a person's eye, focusing on the upper eyelid and lash line. The eye is partially closed, and the skin around it is a warm, light brown tone. Dark, smoky eye makeup is applied along the upper lash line, creating a soft, blended effect. A black eyeliner brush with a silver-colored ferrule is positioned on the upper lash line, with its bristles touching the skin. The brush has a small, square-shaped silver detail on the ferrule. The background is a soft, out-of-focus pinkish-red color.
