Notice of Pre-Employment Alcohol and Drug Screening Test

Dear Applicant:

As part of its policy to provide employees with a safe, healthy and substance-free work environment, AppalCART requires pre-employment alcohol and drug screening.

If the alcohol and/or drug test is confirmed as positive, the results will result in a rejection of your application for employment. You may request the results of your test within sixty (60) days of our notice to you of a decision concerning your employment.

You should also understand that AppalCART reserves the right to test employees at random for alcohol and drug use in post-accident situations and when there is reasonable suspicion to believe that an employee is under the influence of drugs or alcohol.

AppalCART expects all applicants to truthfully and accurately answer questions on the attached form. Falsification or inaccuracies may produce grounds for denying an application and/or terminating employment. AppalCART will initiate procedures as necessary to effectively enforce its policy. Procedures may include employee medical screening where employee judgement or performance is impaired; and where employee behavior is erratic or employee accidents have occurred. Refusal to cooperate with these procedures may subject employees to discipline and/or termination.

"Illegal drugs" are defined as "controlled substances" under 49 CFR 40.21 of the Drug and Alcohol Act:

Marijuana, Opiates, Amphetamines, Cocaine, Phencyclidine (PCP)

Employees taking prescription or nonprescription drugs should report their usage to a supervisor or manager if the effect influences the employee's ability to perform assigned duties. Failure to follow this procedure may subject the employee to disciplinary action, up to and including termination.

The above represents a summary of AppalCART policies on alcohol and drug abuse. Copies of complete policies are available upon request. Should any provision of these policies be in conflict with the applicable law of the State or Federal jurisdiction, it will be modified to comply with law.
