Enhancing Pupil Wellbeing Through Partnerships.

Dr. Timothy Lynch.

3 Aspects of Wellbeing:
- Mindfulness
- Empathy
- Gratitude

Feeling good about yourself & the way our life is going.

Unesco and WHO have goals related to wellbeing.

Term used as early as 1948.

Community links and partnerships help to give students an understanding of local culture - offers rich learning experiences.

We have a shared responsibility for student wellbeing.

We have a shared responsibility for student wellbeing.

Values - school values should reflect, enhance and support wellbeing.

Exchange in partnerships:

Win - Win

Sharing skills, resources, knowledge etc.

Partnerships take work and often fail.

You need to invest a lot into maintaining a partnership.
