# Tournament Highlights

## Thursday

- Scores were modest this year in the Thursday Best Ball Tournament as no one was able to go super low. The Team of Ted Showalter & Mark Landini were able to secure the victory with a solid 64.
- Mike McTeague got a lesson from Butch Brunner. His advice is for his hands to be lower, now his hands are covered in grass and dirt.
- Trick Shot Artist Dan Boever was shuttled around by our Ranger, Butch Brunner, to greet the guys. He made a bet on #14 that he could beat a group using only a driver. He made a Birdie and won the bet with a sweeping slice and a Driver Putt. Special thanks to The Trump/ Simmons team for sponsoring him at BHCC. We greatly appreciate your support! Hopefully we can all use some of his useful tips about hitting at a Driving Range.
- Dave Murphy tried to steal the show from Dan Boever.
- AJ Bergstresser won the “long drive high-tee” competition with 9 inches.
- John Estadt stuck it to 2 Inches on Hole #14; however, Terry Carson was able to edge him out, putting his ball to just 1 inch.
- We moved the Welcoming Party to the clubhouse instead of the Pool this year, so we could enjoy some laughs with Trick Shot Artist Dan Boever. He hit a golf ball through a sheet of plywood!
- Pari-Mutuel wagering was at an all-time high with everyone strategizing their bets on a team to make them some money!

## Friday

- We had a special guest, Mr. T, in the morning to remind us not to play slow!
- Larry Gertscher & AJ Bergstresser dominated the Team Putting Qualifiers with a smooth combined score of 9 inches.
- Everyone was greatly refreshed with a lunch provided by the Wood Fired Pizza Company.
- Orin David & Brad Betz ham and egged it in the Alternate Shot to take the title.
- Is it true that Davey Wells thought Dave Murphy was the Cat in the Hat??
- Bill Piko stuck it tight in the Great Par 3 Shootout to secure the win.
- Jason Balcar & Ryan Dadas started the putting finals off by going first and putting up a score that was unable to be beaten. Congratulations!
- Shawn Monroe & Badyn Woodford tied Denny & Jan Lewis scoring an impressive 24 in the Couples Putting.
- Sheri Wood has a new talent of dropping glass on concrete without a scratch.
- Our 50<sup>th</sup> Annual Friday Night Party Band was the first in 50 years to receive a “noise complaint.” Tongue and Cheek rocked it out all night.
- Special thanks to Michele Abel for all her help setting up the tournament and especially for being Ranger Mr. T, Butch Brunner’s, Side kick in aiding our website with great photos from the entire event!

## Saturday

- Betsy Bethel McFarland crushed the Pipes as she entertained us for the last 15 years.
- We had a first time request in our 10 & Under Pool, “To give up Points to be eligible to enter.” Sorry Team Thrash.
- Match 3 went well and we were able to get the 4<sup>th</sup> match started somewhat on time this year!
- At least we didn’t have another monsoon hit BHCC this year!!

- Special shoutout to Nick Bauman and the grounds crew for taking great care of the course and keeping it in great shape for our MG.
- The Playoff
  - 6 Teams teed it up on #1 with Mike McTeague & Denny Lewis, Brian Delloma & Ian McClain, and Jack Carpenter & David Johnson advanced to number 5.
  - Brian Delloma had an questionable tee shot but found it and was able to secure the tie.
  - We had a tie on #5 causing us to replay the hole.
  - Brian Delloma & Ian McClain, and Jack Carpenter & David Johnson advanced to #9.
  - Brian Delloma drilled a clutch birdie putt to secure the championship.
  - Brian Delloma & Ian McClain are repeat champions for their second MG Green Jacket!!
- Hope everyone had a great time this MG and special thanks to all of our sponsors, especially Roughcut Oil and Gas for their Sponsorships and our ending Fireworks that are sure to steal the show. Congratulations to all our flight champions and overall winners Brian Delloma & Ian McClain!

**Thank you everyone for making the**  
**50<sup>th</sup> Annual Member Guest a great success!**

# *50<sup>th</sup> Annual Member-Guest Tournament Results*

## **1<sup>st</sup> Flight**
