***Nick Gallias / Mind Mysteries***

**Nick Gallias will amaze you. THAT'S A FACT. He will astound you and make you laugh. He will have you thinking and wondering, using what he calls "extraordinary sensory perception". Nick will know what is on your mind before you know. He will predict with amazing accuracy your actions before you make them. He seems to see with your eyes and think with your mind.**

**Nick Gallias has performed all over the country, from Pittsburgh to Las Vegas, and one thing is for sure, his show is one you will NEVER FORGET.**
