

# Wickham Market FC Sponsorship 2020/21

## How You Can Get Involved

We at Wickham Market are keen to link ourselves with local businesses in order to create opportunities for both ourselves and our partners within the local community. We feel that any potential sponsorship would really give us the boost we need as a club to achieve our short & long term goals, whilst also providing you (the sponsor) a fantastic level of advertisement, whether this would be kit printing, team wear printing, advertisements on our website and social networking sites or even just an advertisement board at the ground.
