

New facilities in Winchester available to hire

Do you require a modern, spacious area for business meetings, seminars, training events or functions?

Maybe you're looking for an ideal location for sports training, fitness/dance classes, or a venue for a community group?

The Westgate School, Winchester can offer a range of versatile facilities tailored to your requirements.

We are Hampshire's First 4-16 'All Through' School, with a recently constructed Lower School being built within our campus and we are now in a position to make this available to the wider community.

This new building with its spacious and airy interior goes beyond being practical and functional and will greatly enhance any function or community group.

Spaces available with this building are:

Spacious classrooms and breakout spaces that are available for hire during weekends and weekdays after school.

The magnificent hall, with natural light and minimalist decor is ideal for conferences with seating up to 240 guests, or as a venue for dance or community groups. It can also provide a fantastic setting to host functions. The newly installed kitchen within the hall

can also be included. The external gardens are contained within this area and are also available for hire.

The Upper School also has extensive areas which we can provide, this includes a well maintained health and fitness suite with the latest wellbeing technogym machines and equipment available for group bookings. We also have on offer a

newly installed all-weather sports pitch which is available for hire evenings and weekends.

To find out more details or information on what facilities are available for hire, please call
