

The Loss of a Leader

This year we were incredibly sad to lose board member Te Rauotehuia Chapman-de Vos, known as Te Rau, who passed away at the beginning of May after a short battle with cancer.

After the incredible contributions Te Rau made to Hospice EBoP, it was a privilege to provide the best care we possibly could in her final months.

Current Hospice EBoP Board Chair Jude Wilson admired the unique perspective Te Rau brought to the organisation, saying "Te Rau's insight into how Hospice might best serve all of the community, but particularly Māori, was invaluable. She will be greatly missed by us all, both personally and for the many ways she contributed to the governance of Hospice Eastern Bay of Plenty."

The Hospice EBoP Board members and staff are incredibly saddened by the loss of Te Rau, and her remarkable and knowledgeable contribution to the Hospice EBoP Board will be remembered.

Mother's day High Tea a great hit!

Many thanks to the Red Apron Team (not to mention their husbands, friends and family) for bringing a High Tea Hospice Fundraiser to Whakatane. We are incredibly grateful to those who sponsored, volunteered, arranged flowers, loaned goods, supported and bought tickets - we are blown away that this first-time event raised \$5,000 for Hospice EBoP. What a fun way to fundraise!

2019

What did we make?

As the financial year ends, the question for many is: What did we spend and what did we make? As a charity, and service to the EBoP, our measures are a little different. This year we responded to 291 referrals, and helped them make every moment count.

We spent:

137,380 kms traveling to patients
15,037 volunteer hours
4,193 hrs in patient homes
79 hours in paid staff training

We made:

7,017 phone calls to patients
4,151 Home visits
2,641 comfortable nights of sleep (loaning Hospital beds to patients)

We made sure patients received the best possible care, knew what was available to them, were fully informed and in charge of their journey. Services were coordinated, family was supported, and education was given.

We made sure every patient was able to live every moment, the best they could, for as long as they could, with dignity and respect.

FROM THE Chief Executive

The winter months for Hospice can be quite busy, while our clinical team works hard to keep up with their caseloads, with the administration team working on the end of financial year wrap up and review. It's a time for gratitude and reflection, and we are pleased with the year's outcomes, it's a very satisfying product of hard work put in by many.

This time round we have had a few extras in the mix, with a big move of our Whakatane shop, the rollout of community consultation, and saying farewell to some team members who contributed a lot during their time here.

We were pleased with the reception of our community survey, with most of these being completed online. Our next step is to directly engage stakeholders including Iwi and relevant local services. This will help ensure Hospice's future direction reflects all of the community's needs.

I would like to express thanks to those who have gone the extra mile to support Hospice – including the recent High Tea, the movement of the shops, and organisers of fundraisers including Renshaws, Sheaffs resthome and Noel Leeming.

Finally I want to say thank you to the businesses, volunteers and individuals that continually give to our service. Your kindness will have an impact through the service we give to patients, and we couldn't do it without you.

PETER BASSETT
CHIEF EXECUTIVE
