The US closes 2018 as the biggest importer of Brazilian furniture.

The accumulated value of furniture exported from Brazil in 2018 reached the highest level since 2008, according to data from the Foreign Trade Secretariat (Secex).

The products that stood out in **Brazil's Furniture Exports in 2018** were:

- Wooden bedroom furniture (US\$ 302.1 million)
- Other wooden furniture (US\$ 167.8 million)
- Wooden kitchen furniture (US\$ 38 million)

The main **Destinations for Furniture Exports** in 2018 were:

- United States (US\$ 197.7 million),
- United Kingdom (US\$ 69.6 million),

Brazil's Leading States for furniture exporting in 2018 were:

- Santa Catarina — Silochi's State (US\$ 271.4 million)
- Rio Grande do Sul (US\$ 195 million)
- Paraná (US\$ 84 million).

South Brazil accounted for almost 75% of all furniture exported from the country.

Studies show that the first months of 2019 are keeping the same direction in terms of exported products and destinations.

About Silochi

On April 2019, the company was rewarded with two certificates highlighting the following:

- 1- Qualification for export and**
- 2- Implementation of improvements.**

The reward came from the APEX BRASIL agency in partnership with UNIVALI University. They worked together at the PEIEX program to help companies qualify for international markets.
