FOLLOW THESE INSTRUCTIONS TO SING IN THE JICS MUSIC VIDEO:

HEY JICS,

Many of you already know that we are going to record a video of JICS kids singing **the Beatles' song 'With a Little Help From My Friends'**. We would love you to join in this video! Everyone is welcome to sing all the verses or the chorus.

ADD YOUR VOICE IN 3 EASY STEPS:

- **1. Practice** singing along to my recording of 'With a Little Help From My Friends' with the lyrics. If you are using a phone you can download the MP3 file.
- **2. Record** a video of you singing the whole song or parts of the song using a recording program while listening to my recording at the same time. (You can use: Photo booth on MAC, Voice Recorder on phone, etc)
 - **You MUST use headphones** so that we can only hear YOUR voice, not my recording!
 - If a parent and child are singing together- use ear buds (one in each person's ear) so you can stay together with me!
- **3. Upload** your personal video to the JICS Zoomblee Music Video Dropbox!
