

What would you do if I sang out of tune,
Would you stay up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.

ESTRIBILLO:

I get by with a little help from my friends,
I get high with a little help from my friends,
I'm gonna try with a little help from my friends.

What do I do when my love is away,
(Does it worry you to be alone)
How do I feel by the end of the day,
(Are you sad because you're on your own)
I get by with a little help from my friends,
I get high with a little help from my friends.

Do you need anybody, I need somebody to love.
Could it be anybody, I want somebody to love.

Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine.

(ESTRIBILLO)

Do you need anybody, I need somebody to love.
Could it be anybody, I want somebody to love.

I get by with a little help from my friends,
Mm, I'm gonna try with a little help from my friends.
Oh, I get high with a little help from my friends,
Yes, I get by with a little help from my friends.
